

# MILLENNIUM CHALLENGE ACCOUNT - SENEGAL

## Invitation for Bids For the Rehabilitation and construction of civil works on Adducteurs (canals) of the Upper Delta - Lot 1

Réf: AO/No.MCA-IWRM06-S-DELTA

The Millennium Challenge Corporation ("MCC") and the Government of Senegal signed a Compact to support the Millennium Challenge Account Senegal in the fight for poverty reduction through economic growth of the Republic of Senegal (the Compact) for an amount of about Five Hundred Forty Million USD (US \$ 540 million). The Government, acting through MCA-Senegal intends to apply part of MCC funding to eligible payments under an eligible contract associated with this Notice of Invitation for Bids ("IFB"). Payments by MCA-Senegal will be subject in all respects with the terms and conditions of the Compact, including restrictions on use of MCC Funding. No party other than the Government and MCA-Senegal can claim any rights from the Compact or have any claim to the proceeds of MCC Funding.

The Compact program in Senegal is structured around integrated development programs of regional development centers in North and South zones of the country. For the South zone, the funding will rehabilitate approximately 256 kilometers of RN6 from Ziguinchor to Kounkané and Kolda bridge, with a goal of reducing transportation costs and improve access to national and international markets. For the North, it will be about (i) rehabilitate approximately 120 kilometers of N2 from Richard Toll to Ndioum and (ii) carry out water projects in the Delta-structuring Dagana and in the Middle Valley-Podor in order to improve agricultural productivity through irrigation. In these different intervention sites, it is also considered to achieve social infrastructure in order to curb the negative effects of planned investment on vulnerable groups (women, men, youth, disabled, farmers, etc.).

This Invitation for Bids follows the General Procurement published in dgMarket and UN Development Business on January 13 and 20, 2012, and in the local press, from January 30 to February 4, 2012.

The Contracting Authority invites straight away eligible bidders to submit an offer in sealed envelope for the execution and completion of **Rehabilitation and construction of civil works on Adducteurs (canals) of the Upper Delta - Lot 1**, in competition in the form of Market Slip on Slip Price Details, and quantity-estimated.

The project consists of rehabilitation and construction work, of hydraulic structures along the following Adducteurs (canals) of the upper Delta:

Rehabilitation of the gravity water-intake of Ronkh

Construction of:

Diambar bridge (3 sluices/channels) on the Kassack at point 8.900 KM from Gorom upstream.

Bridge (5 sluices/channels) at Boundoum, on upstream Lampsar.

Dam/sluice with 4 passes at Boundoum on upper Gorom.

Demba bridge (3 sluices/channels) on Kassack (at 6.625 KM along upper Lampsar)

Diawel bridge (2 sluices/channels) on the Diawel at point 0.950 KM.

“Ouvrage G” (Structure “G”): gravity-fed water intake

Destruction of old structures:

Diambar

Demba

Diawel

The project also includes the implementation of environmental and social impacts mitigation, an social and environmental management plan, a safety and health plan. Construction activities will be performed in accordance with World Bank policy OP 4.12 on involuntary resettlement, which MCA-Senegal is responsible for implementation after MCC approval.

The Invitation for Bids will be open only to eligible bidders. Bidders wishing to attend should register their interest by email at the following addresses to be registered, indicating their contact details :
