Medical Resources in Senegal

DISCLAIMER: The U.S. Embassy Dakar, Senegal assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the medical professionals, medical facilities or air ambulance services whose names appear on the following lists. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy. Names are listed alphabetically, and the order in which they appear has no other significance. The information in the list on professional credentials and areas of expertise are provided directly by the medical professional, medical facility or air ambulance service; the Embassy is not in a position to vouch for such information. You may receive additional information about the individuals and facilities on the list by contacting local medical boards and associations or local licensing authorities.
