Security Message for U.S. Citizens Election Weekend Security - Second Round

March 21, 2012

This message is to alert U.S. citizens in Senegal to safety and security concerns regarding this weekend's second round of Presidential elections and to provide information on recommended security measures you can take in preparation of this event.

On Sunday, March 25, Senegal's Presidential election's second round of voting will take place. The security situation is expected to remain unpredictable well into next week, and possibly longer.

On Friday, March 23, both candidates are likely to hold political rallies or opposing demonstrations. Times and locations for these are not known at this time.

Campaigning is prohibited on Saturday, March 24. On Sunday, March 25, the day of the elections, polls will be open from 8:00 a.m. until 6:00 p.m.; if needed, polling station hours can be extended to 8:00 p.m. Please note that the Government of Senegal will restrict inter-departmental travel on Sunday. U.S. Embassy personnel are advised to remain in Dakar on that date and U.S. citizens are encouraged to limit movements within the department in which they are located, or they may be subject to stoppage/questioning at checkpoints. Ensure that you have proper identification with you at all times, and particularly on Election Day.

While it is expected that the morning and early afternoon on Sunday will be calm, we encourage U.S. citizens to avoid polling locations. As soon as the polls close, reporting of early results will begin by political parties and the security situation could change rapidly. As a precaution, Embassy personnel are advised to return to their residences by early evening on Sunday and to remain at their residences through the evening. U.S. citizens are encouraged to do the same.

The U.S. Embassy plans to operate under its normal business hours on Monday, March 26; however, in the event the security situation changes and demonstrations prevent movement on Monday, the U.S. Embassy will reassess its operating schedule.

Embassy personnel are advised to take the following precautions:

- n Ensure that all personal vehicles' fuel tanks are full by Sunday, March 25.
- n Ensure you have sufficient food, water, and medical supplies to last a minimum of 72 hours starting on Sunday.

Given the uncertainty of the timing and size of demonstrations, U.S. citizens are urged to exercise caution if traveling over the election weekend. Demonstrations can occur without advance notice and have the potential to quickly turn violent. Stay tuned to media reports,

maintain situational awareness, consider alternate travel routes in case of blockage and avoid demonstrations should you come upon them.
