Description: *(Please note that this solicitation is not ready to be issued as of this date.)*

The Embassy of the United States in Dakar, SENEGAL will issue a solicitation for telecommunications services to the New Embassy Compound. Firm, fixed-priced quotes are being requested to relocate telecommunications services and subscriptions from the current US Embassy location (Avenue Jean XXIII) and US Agency for International Development –USAID (Ngor) to the New Embassy Compound (almadies).

The U.S. Government estimates the amount of this end-to end network connection service will be about **\$200,000.00**

The contractor shall furnish all managerial, administrative, direct labor personnel, materials and transportation that are necessary to accomplish all work required. The posted solicitation shall contain a description of the requirement, instructions to vendors, statement of work and applicable clauses. All vendors who can meet this requirement, must have a valid DUNS and are registered in CCR are invited to submit an offer, which shall be considered. The Government plans to issue the solicitation in June 7, 2012.

Again, this solicitation will be issued via the FED BIZ OPPS website and prospective offerors can also arrange to pick up a proposal package from the Contracting Officer's address provided herein - no paper copies will be mailed.

Note: The response date in this FEDBIZOPS is not a firm date please see the RFP for the actual date.
