Description

The Embassy of the United States in Belgrade will issue a solicitation for waste water treatment plant maintenance services at the New Embassy Compound in Belgrade, Serbia. (Please note that this solicitation is not ready to be issued as of this date.)

These requirements may change depending on funding availability in forth coming periods. Anticipated performance is for one base period and four one-year periods at the

option of the Government. Major duties and responsibilities are to provide quarterly and semi-annual inspection and maintenance of the Waste Water Treatment Plant (WWTP), sewage system and its ancillary equipment at the U.S. Embassy in Belgrade, Serbia.

All responsible sources may submit an offer, which shall be considered. The Government plans to issue the solicitation in March 2014.

Again, this solicitation will be issued via the Federal Business Opportunities at www.fbo.gov and at the Embassy website - no paper copies will be mailed. Note: The response date in this synopsis is not a firm date, please see the solicitation for the actual date.
