DESCRIPTION:

Please note this solicitation is not ready to be issued as of this date. The Embassy of the United States in Serbia will launch the solicitation on the Embassy website when it is available.

The solicitation will be for the reconstruction of a residential building roof for an Embassy residence in Belgrade, Serbia.

These requirements may change depending on funding availability in forth coming periods. Major duties and responsibilities are to remove the existing clay tile roof supported with wood trusses and rafters and construct a new one of an approximate area of 370 square meters.

All responsible sources may submit an offer, which shall be considered. The Government plans to issue the solicitation in June 2015.

In order to be considered, your company must be registered in the System for Award Management (SAM) pursuant to FAR provision 5.207. Prospective offerors are encouraged to register prior to the submittal of quotations/proposals. Quotations/proposals from companies not registered in SAM will be considered technically unacceptable.

No electronic offers will be accepted. Please mail your offer to the contracting office listed in this notice prior to the response date and time.
