Description

The Embassy of the United States in Belgrade will issue a solicitation for building repair services to an auxiliary building on the Embassy compound in Belgrade, Serbia. (Please note that this solicitation is not ready to be issued as of this date.)

These requirements may change depending on funding availability in forth coming periods. Anticipated performance is less than 45 days. The majority of the work includes specialty work for light demolition, drywall installation, electrical and installation of dropped ceiling type work.

All responsible sources may submit an offer, which shall be considered. The Government plans to issue the solicitation in August 2013.

Again, this solicitation will be issued via the Federal Business Opportunities at the Embassy website - no paper copies will be mailed. Note: The response date in this synopsis is not a firm date, please see the solicitation for the actual date.
