

We understand that many of you may have questions about the Visa process and it is the goal of the Consular Section of the U.S. Consulate in Shenyang China to address those questions through our Consular Outreach Program (COP). If you would like to have a representative from the Consular section visit your school, company and or organization to discuss the Visa process

Please fill out the Outreach Request form below.

Please note, the following are the parameters to be considered for these outreach missions:

1. Minimum number of 30 participants.
2. Adequate and appropriate work space to accommodate consular staff and applicants comfortably. Appropriate spaces include civic and social halls, school auditoriums, public libraries, community centers, company headquarters etc.
3. Requests should be sent at least one (1) month prior to the planned date/s, in order to allow the Consulate enough lead time for planning and preparations.

All requests are subject to review and final approval of the U.S. Consulate
