SECTION 1 - THE SCHEDULE
PRICES, BLOCK 23
INDEFINITE DELIVERY/INDEFINITE QUANTITY CONTRACT
COST PER COPY

1. Performance Work Statement

This solicitation is for photocopier supplies and services based on a firm fixed price (cost per copy) charge. Contractor furnished services and supplies are to be provided on an indefinite quantity basis with delivery to U.S. Embassy Ljubljana, Slovenia. Many machines will remain in place for the life of this contract but occasional requests may be made for shorter durations.

The Contractor will retain ownership of all machines being installed in U.S. Government offices under this contract. The estimated monthly copy volume for each office covering the upcoming five years is shown in Attachment 2. Additional machines may be ordered by the Contracting Officer through task orders by applying the cost per copy rate and service requirements of applicable volume bands.

It is the Government's intention to have all ordered copiers in place for the base period of this contract and the optional periods of performance, if exercised. Prices should be based on the assumption that all copiers will remain in place until the end of the final period of performance. Occasional requests may be made for shorter periods, in which case the Government will pay the cost per copy rate equal to similarly sized contracted machines within volume bands priced below.

The contractor shall provide copier services on a cost per copy basis. This cost per copy price shall include:

- the usage charge of the proposed copier;
- insurance (see FAR 52.228-4 and 52.228-5);
- all necessary consumables, except paper, including but not limited to toner, developer kits, fuser oil, unlimited repair services (emergency repairs and preventive maintenance) during the normal business hours set forth in Period of Performance/Schedule;
- and training of at least one operator for each copier.

This is an indefinite-delivery indefinite-quantity contract. The Government plans to issue task orders with a firm-fixed price per copy and a ceiling price based on estimated quantities.

Additional details regarding the Performance Work Statement are stated in Attachment 1 of this section.

2. Period of Performance/Schedule

The performance period of this contract is from February 1, 2014 and continuing for 12 months, with 4, one-year option(s) to renew. The initial period of performance includes any transition period authorized under the contract.

The Contractor shall provide all required types of maintenance service as well as copier installation, equipment demonstrations, and training services on Monday-Friday, excluding holidays as specified in the contract, during the hours of 08:00 – 16:00, local time.

In order for the option(s) to be exercised at the prices indicated in this contract, the Government shall prepare a modification to this contract exercising this option.

3. Pricing

The Contractor shall provide the following copier models for the cost per copy firm fixed prices set forth below. The “estimated number of copies per month” column represents the estimated total number of copies for all copiers combined, within that category volume range. All prices are set forth in EUR. The Government will pay no monthly lease charge, maintenance or toner or other copier supplies charges under this cost per copy arrangement. No other charges will be accepted. The Government will provide only the paper and electricity.

Value Added Tax (VAT) is not applicable to this contract and shall not be included in the CLIN rates or invoices because the U.S. Embassy will provide a Direct VAT exemption certificate from the host government.

(e) The COR shall, as a minimum, orally notify the Contractor of any valid complaints.

(f) If the Contractor disagrees with the complaint after investigation of the site and challenges the validity of the complaint, the Contractor will notify the COR. The COR will review the matter to determine the validity of the complaint.

(g) The COR will consider complaints as resolved unless notified otherwise by the complainant.

(h) Repeat customer complaints are not permitted for any services. If a repeat customer complaint is received for the same deficiency during the service period, the COR will contact the Contracting Officer for appropriate action under the Inspection clause.

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR [Part 25](#). For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) o Are, o are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) o Have, o have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) o Are, o are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) o Have, o have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
