La Embajada de Estados Unidos le facilita las conclusiones de la **Cumbre del G-7** celebrada en Ise-Shima (Japón) los días 26 y 27 de mayo.

G7 Ise-Shima Leaders' Declaration

The White House
May 20, 2016

The G7 has a special responsibility to lead international efforts to tackle these challenges. We remain bound together as a group guided by our common values and principles, including freedom, democracy, the rule of law and respect for human rights.

Fact Sheet: The G-7 Summit at Ise-Shima Japan

The White House
May 20, 2016

The President Obama met with the other leaders of the G-7 in Ise-Shima, Japan on May 26-27 to advance major global economic and political priorities, guided by a set of common values including freedom, democracy, the rule of law, and respect for human rights.
