

Apply for the Virtual Student Foreign Service July 2-22, 2014!

The U.S. Department of State's Virtual Student Foreign Service (VSFS) program is bigger and better than ever! This year for the first time, there are 323 projects from 11 agencies to pick from. There is something for everyone and every skillset. **Interested undergraduate, graduate, and post-graduate program students can apply to up to three projects July 2-22, 2014 on [USAJobs](#).** Check out the amazing variety of projects available on [state.gov](#).

U.S. Consulate St. Petersburg has three exciting projects available this year, including:

St. Petersburg Pollution and Environmental Research Report (State EUR-11)

Compile a report outlining the current state of the environment in St. Petersburg and Leningrad Oblast including problems and official responses to these challenges using open source materials and statistics.

St. Petersburg Online City Guide (State EUR-12)

Compile a virtual visitor guide interactive map for St. Petersburg, to include major tourist sites, restaurants, museums and other items of interest that includes links, photos, reviews and other pertinent information.

Crime Mapping of St. Petersburg (State EUR-13)

Research and visually depict trends in St. Petersburg that could impact US citizens and business there.

Selected eInterns spend 10 hours per week contributing to projects for an office or section from September 2014 through April 2015. EInterns play an important role in advancing the federal government's reach in a variety of initiatives with:

- U.S. Department of State (State)
- U.S. Agency for International Development (USAID)
- Army Research Laboratory Library (ARL)
- U.S. Department of Education – Federal Student Aid (FSA)
- U.S. Environmental Protection Agency (EPA)
- Federal Emergency Management Agency (FEMA)
- U.S. Department of the Interior (DOI)
- Millennium Challenge Corporation (MCC)
- National Aeronautics and Space Administration (NASA)
- The Smithsonian Institution (Smithsonian)
- U.S. Department of Agriculture – Foreign Agricultural Service (USDA-FAS)

Applicants must be U.S. citizens enrolled in university level courses in the U.S. or abroad. Last year, we had students from undergraduate to PhD to part-time online students. A resume, transcript, and statement of interest are required as part of the application process. Interviews may be conducted in August. eInternships are unpaid and do not require a security clearance or travel.
