REQUEST FOR QUOTATION for **PR3438289 for Electrical and Latched Devices**

Dear Vendor,

The Embassy of the United States of America invites you to submit your quotation for the products or services shown below.

If you would like to submit a quotation, please provide a pro-forma invoice.

Note that we will accept quotations for products or services with certifiably equivalent specifications. We require technicians to be located locally and to be factory trained or certified.

Your pro-forma invoice (on which our **PR3438289** is clearly stated) must be received by **1100 hours local time on August 11, 2014** in a sealed envelope marked as follows.

Contracting Officer
Quotation Enclosed
PR3438289 for Electrical and Latched Devices
686 Old Bagamoyo Road Msasani
US Embassy, Dar es Salaam

An alternative address for submission is darprocurementbid@state.gov.

- On the e-mail's subject line, state that the submission is for **PR3438289 for Electrical and Latched Devices**
- On your attached proforma, state that the proforma is for **PR3438289 for Electrical and Latched Devices**

The US Government intends to purchase the lowest priced technically acceptable product or service.

In many instances, registration in the System for Award Management (SAM) is required before a vendor can receive an award. All vendors receiving awards over \$25,000 must be registered in SAM.

We encourage all vendors which may bid either on this solicitation or in the future to start now and complete the SAM registration process. Registration will make the award process move much more smoothly and quickly. The registration process is not difficult, provided all instructions are followed carefully. Please see our Embassy Contract Opportunities web page for details or call us if you have questions

Any questions regarding this Request for Quotation must be directed to the Procurement Section +255-22-229-4138 during office hours.

Sincerely,

The Contracting Officer

US Embassy

PR3438289 for Electrical and Latched Devices

Product must be delivered within 6 weeks after order is placed

The part numbers and descriptions listed below are from International Configurations Inc., located in Enfield, Connecticut, USA. Note that we will accept quotations for products with certifiably equivalent specifications.

All parts listed below must be suitable for installation and use in residences or industrial environments in an area where electricity supply is neither dependable nor clean. We will accept International Configurations, Inc. parts or parts that are certifiably equivalent and which can be certified to be installed for the use described above.
