

## VACANCY ANNOUNCEMENT

### UNITED STATES PEACE CORPS THE GAMBIA

#### **POSITION TITLE: PROGRAM MANAGER FOR HEALTH**

The purpose of this position is to manage the Programming operations of the Health sector under the authority of the Country Director (CD), and to translate requests from the Government of The Gambia into viable projects in the sector.

The Program Manager will supervise and coordinate the projects under his/her jurisdiction to ensure the appropriateness and high quality of volunteer assistance. In doing so, the Program Manager will manage and develop the program and supervise and support 25-50 volunteers.

The Program Manager will serve as a liaison with the Gambia government, international agencies such as UNDP, WFP, and NGOs and ensure that volunteers are trained and assigned to adequately serve the country's needs. In addition, the Program Manager assists the Programming and Training Manager (PTM) and the CD by performing a number of program liaison and protocol duties.
