STEP 2: Create an account for online application

Create a secure account for you online application at:

<https://apply.embarc.com/student/fulbright/international/20/>

Once your account is created, you will be able to begin your online application.

Your email address is your user ID. When you created an account for this on-line application you created a password. An e-mail was sent to you indicating your User ID and Password. Keep this information in a safe place. You can log in and out of the application as frequently as you like; however, you must have your user ID and password. While you cannot change your User ID, if necessary, you can change your password by clicking on "Update My Account" at the top of the Home page of this application.

STEP 3: Save user ID and password in a safe place

STEP 4: Complete the application

You do not need to complete your application in one sitting. You can re-enter at anytime and edit your application, but remember that once you press "submit" you can no longer make changes.

*****Remember to "SAVE" your information frequently*****

- All forms in this application are to be completed in English.
- Items must be answered completely and carefully.
- Some helpful "tips":
 - Avoid using all capital letters when answering items, e.g. name, address, etc. It is better to use upper and lower case, e.g. Ron Smith.
 - You can copy and paste information into all text boxes.
 - In the text boxes, you must **limit your responses to the space provided**. Information that exceeds the space provided will **not** display or print. If what you have typed or copied exceeds the size of the box, you must edit it.
 - It is a good idea to "preview" each page of your application to make sure that all your data displays.
 - You can review each page of the application in its PDF format by clicking on the **Preview** button on the upper right-hand corner.
 - Closing out of the PDF view will bring you back to your application.
 - You will create essays on pages 4, 5 and 6. On the essay pages, text entered that exceeds the space provided **will display** and print. However, it is recommended that you try to keep your essays to one page when possible.
 - You have several ways in which you can create your essays.
 1. You can compose your essay on-line. Please note, there is a 40-minute "time out" function. In other words, you will need to either complete your essay in 40 minutes or periodically save your essay. You will not be able to customize the formatting of your essay.
 2. You can copy and paste text from another document and edit online. Again, you will have a 40-minute "time-out" function. You will not be able to customize the formatting.
 3. You can upload text from another document. This is the only option where you will be able to have special formatting, e.g. bold, underline, headers, double spacing, etc. While you cannot edit an uploaded document on-line, you can delete your upload, make your corrections in your document off-line, and upload again.
 4. Pages 4 (study objective) and 5 (personal statement) contain a header that displays on the PDF view. You must leave a 1½ inch (4cm) margin at the top of every page of your essays to allow space for the header that will appear on the print version of your application.

You should **preview** all of your essays to make sure the formatting is correct before submitting your application by clicking the preview button in upper right-hand corner of the screen. When you preview an essay, **you must use the "Back" browser button to return to your essay**. Closing out of the HTML preview (i.e. clicking the X in the upper right-hand corner) will exit you from your application.

You will not be able to complete and submit your application until all required items are completed. When you click on the **Application Inspector** button on the Home page your application will be checked for completeness. You will be prompted to enter any missing information on required questions.

Often, specific instructions for completing a question or item will be provided in the application. Please read all instructions carefully. Please review the following important information.

Preliminary Question Page: It is very important that the following questions are answered correctly:

- **Country of Citizenship:** Make sure that you properly identified Iraq as the country you are applying from.
- **Program:** Make sure that you correctly identify the **Fulbright Foreign Student Program** to which you are applying.
- **Name:** It is very important that you list your name **exactly as it appears (or will appear) on your G or A passport**. Please use upper and lower case when entering your name, e.g. Ron Smith. Do not use diacritical markings as this can sometimes create computer-related problems.
- **Application Cycle:** Please indicate to which application cycle you wish to apply. For April 30th, 2011 deadline select scholarship cycle 2012-2014. Classes for this cycle begin in August/September 2012.
- **Degree Objective:** Select one degree from the drop down menu of choices.
- **Field of Study:** From the choices, select the field of study most appropriate to your study objective. You can briefly elaborate on the exact nature of your objective in the text box that follows.
- **Institutions Attended:** Please list all post-secondary institutions attended in reverse order (putting the most recently attended first). List all post-secondary institutions attended even those from which you did not achieve a degree.
- **Position Code:** Please select from the drop down menu the position title which best describes the activity in which you are currently (or most recently) involved.
- **Study/Research Objective:** The study/research objective description that you provide is an essential and highly important part of your application. You should take great care to write a clear and very detailed description of the program you want to pursue. Clearly identify the area(s) within your field of study in which you want to specialize or concentrate. If there is specific research that you want to accomplish, please describe. **Remember to leave a 1½ inch (4 cm) margin at the top of every page to allow room for the header that will appear on the PDF view. Preview your essay to check the formatting before submitting your application.**
- **Personal Statement:** The personal statement is a narrative statement in which you can include information about your education, practical experience, special interests, career plans, and your purpose in applying for study in the U.S. **Remember to leave a 1½ inch (4 cm) margin at the top of every page to allow room for the header that will appear on the PDF view. Preview your essay to check the formatting before submitting your application.**
- **Additional Information:** Many applicants attach a professional resume (useful if you intend to pursue a professional degree, e.g. business or law) or curriculum vitae (useful if you intend to pursue a theoretical, academic degree). While there is no "header" on this page for which you need to leave space, it is still advisable that you preview your information to check the formatting before submitting your application.
- **University Transcripts:** You can scan copies of your official transcripts and upload them into this application. Just follow the instructions that appear on page 7 of the application. Please note: you will still need to provide "official" transcripts at a later date.
- **Personal Information:** The information provided on this form will be used by the Fulbright Program in your home country and Fulbright administrative agencies for internal purposes only.
- **National Identification Number:** This does not apply. Leave blank.
- **Personal Financial Information:** This does not apply. Leave blank.
- **University Preference:** It is **not** an expectation that you will have U.S. university preferences. However, if you do, please complete this page as fully as possible. Do not just list the name of a university in which you are interested. Be specific. Provide the name of the department and the specific program within that department in which you are interested. If you have been in contact or correspondence with a faculty member, please provide the name and contact information for that individual.

If you have applied to a U.S. university within the past three years, please list the programs and the results. If you have letters of admission, letters of invitation, or other correspondence from a school, especially a preferred program, please forward a copy (not the original) of this correspondence to the Fulbright Program Office.

STEP 5: Print supplemental forms

Supplemental forms should be submitted electronically to Fulbrightiraq@amideast.org (see STEP 10 below). It is a good idea to print all supplemental forms prior to submitting your application electronically. However, even after submitting your application you will be able to access these forms. The following forms can be found by clicking on the **Supplemental Forms** button on the Home page of this application.

Letter of Reference/Recommendation: You must have three letters of reference (or recommendation) submitted on your behalf. Letters of reference are extremely important. All letters of reference should be written by teachers under whom you have studied, or pursued research, or by someone who has supervised you in work related to your proposed field of study. Letters of reference should not be written by persons related to you either by blood or marriage or by personal friends. At least one academic and one professional or work related letter should be included among the letters. The letters should be written in English if possible. If they are not, an original English translation must be provided.

Your recommenders have three ways in which they can submit their letters.

- Your recommenders can complete the forms online and submit electronically. You must click on the **Recommendation** button on the Home page of this application to register your recommenders.
- You can print out the Letter of Reference form and forward to your recommenders who will then complete the forms and return to you a sealed and signed envelope for submission.
- Your recommenders can complete the forms and submit to AMIDEAST by sending an electronic version of the recommendation form to Fulbrightiraq@amideast.org. Please advise your recommender to list your name in the subject line.

Report on Proficiency in English: If possible, complete only the top section of this form and have the remaining portion completed by one of the types of certified English language evaluators listed on the form. Your language evaluator should return this form to you for submission. This form is not required.

Information Concerning Foreign Student Academic Records: In order to assist U.S. academic institutions in evaluating more accurately your academic credentials, this form allows you to provide information about the educational and grading system in the country where you did postsecondary study. A separate form should be completed for each college or university attended. This form is not required.

Transcript Release Form (for post-secondary U.S. transcripts only): This form is not required *unless you attended a post-secondary program (undergraduate or graduate) in the U.S.* Frequently the fees for acquiring multiple copies of U.S. postsecondary transcripts will be covered by the Fulbright Program.

Signature Form: You must print, sign, and scan this form and send to Fulbrightiraq@amideast.org

IMPORTANT: When emailing signature forms to this address, use the following format for subject line, öSignature form: [Your Name as is appears or will appear on Passport].ö

STEP 6: Application inspector

Your application will be reviewed for completeness before you can submit your application electronically. You will be prompted for missing data.

STEP 7: Review and print your application

Review a PDF version of your application and print a copy for your records.

STEP 8: Submit your application

Please note, it is very important that the following questions were answered correctly:

Question 1--Citizenship: Make sure that you identified Iraq as your country of *citizenship*.

Question 2--Program: Make sure that you identified the *Fulbright Foreign Student Program* as the award program to which you are applying.

If you entered either question incorrectly, you must correct your answer(s) prior to submitting your application. You can make corrections by clicking on the “**update my answers to preliminary questions**” link on the upper-right hand corner of the Home page.

Note carefully, after submitting your application electronically, you will be able to access it in a viewable PDF format and access supplemental forms. You will be able to print your application and supplemental forms. However, you will not be able to make changes to your application. In addition, you will be able to access tracking information (see below for further information).

STEP 9: Track your application for missing documents

At the bottom of the home page of your application, there is a “**track your status**” link. If items that are still needed to complete your Foreign Fulbright dossier have been identified, they should be indicated here. Only items that are missing will be identified. This table should be routinely updated by the AMIDEAST Fulbright Office. Please return periodically to check your status.

STEP 10: Supporting documentation needed to complete your application

1. Your application is not considered complete until the Iraq Fulbright Program Office receives all of your supporting documentation. The following must be forwarded electronically to your Fulbright Program Office at **Fulbrightiraq@amideast.org**:
 - ✓ the signature form;
 - ✓ three letters of reference/recommendation;
 - ✓ official academic transcripts from all post-secondary schools attended, and original English translations (when necessary).

Academic transcripts: Applicants must initially submit scanned copies of official, complete and certified academic documents covering the entire period of study at universities and other post-secondary institutions. Documents must be accompanied by complete official English translations. These documents must consist of:

- ✓ One certified, official record (transcript) from each university or post-secondary institution you attended, even those schools from which you did not receive a degree or diploma. The transcripts should list the subjects you studied and the grades you received during each year of your enrollment. Scanned copies of official transcripts must be submitted to **Fulbrightiraq@amideast.org**.

IMPORTANT: When emailing academic transcripts to this address, use the following format for subject line, ðAcademic Transcripts: [Your Name as is appears or will appear on Passport].ö

2. Certified, official evidence of each post-secondary or university degree or certificate awarded to you should be included as part of the completed application.

Standardized tests: You will be required to take one or more of the following standardized tests to gain admission to a U.S. university. If chosen as a candidate, you will need to take the exams below. For instructions on registration, see AMIDEAST/Iraq Website at

http://www.amideast.org/offices/iraq/programs_services/default.htm

Tests of English Language Proficiency

- **TOEFL (Test of English as a Foreign Language):** TOEFL is an admissions requirement at U.S. institutions for applicants whose native language is not English. All non-native English-speaking candidates should immediately register for TOEFL, *or*

- **IELTS** (International English Language Testing System): A growing number of U.S. institutions will accept the IELTS in lieu of TOEFL scores.
- **GRE** (Graduate Records Examination): The GRE is required by U.S. graduate schools and/or departments for candidates in most fields other than Business Administration and Law. You should make every effort to register for the earliest possible administration of the GRE. The general GRE Test is only offered twice a year in Iraq: October and February.

IMPORTANT TOEFL and GRE Score Distribution Information

You must indicate the AMIDEAST designated institution code on the registration forms and/or the forms provided at the time you take the exam. For all **TOEFL** and **GRE** exams please indicate **CODE: R5027**.

Note: TOEFL scores are valid for two years. GRE scores are valid for five years.

OTHER IMPORTANT INFORMATION

Duration of Grants: Fulbright grants and other fellowships, assistantships, scholarships and educational grants are generally awarded for nine to twelve months beginning in August or September. Candidates appointed to certain types of Fulbright grants may be required to arrive during the summer for an introductory course or intensive English program prior to the academic year. In some cases, arrangements may be made for an extension of the period of grant beyond the first academic year. Candidates should not assume, however, that awards are automatically renewable.

Duration of Degrees: The requirements for completing academic work toward a degree vary depending upon the degree desired, the candidate's academic background and the regulations of the individual U.S. institution to which the candidate is admitted. It is usually not possible to obtain a degree in one academic year. Although the minimum time required for a Master's degree is one academic year, a student should expect to spend from at least one summer session to an additional academic year to complete the academic requirements

Change of Plans: You should promptly inform the AMIDEAST/Iraq Fulbright Program Office of any change in your academic status or future plans after your application has been submitted.
