

## TUNISIA TENDERS DATABASE

Category	Description	Opening	Closing
<b>Chemical Products (Chemicals)</b>	Purchase of ethanol: Lot1: ethanol of agricultural origin and Lot3: ethanol of agricultural or synthetic origin	March 10, 2012	April 12, 2012
<b>Civil Engineering (Public Works)</b>	Design and realization of the sewage treatment plant of the city and the systems of transfer of rough and purified waste waters: The realization of the studies, design, works of civil engineer and the supply, assembly and electromechanical equipment tests of the sewage treatment plant and the two pumping stations, as well as the supply, transport and pipes installation of transfer of rough and purified waste waters	January 28, 2012	May 7, 2012
<b>Civil Engineering (Public Works)</b>	Realization of works of civil engineer, supply, assembly and tests of electrical equipment and electromechanics for the sewage treatment plant and supply, transport and installation of a system of transfer of treated water	January 7, 2012	April 16, 2012
<b>Electrics and Electronics</b>	Supply of 1500 m unipolar electric cables MT with radial aluminum field	March 13, 2012	April 12, 2012
<b>Electrics and Electronics</b>	Furniture, assembly and starting of analysis equipment and gas quality control of sampling posts and delivery gas of the company	February 14, 2012	April 10, 2012
<b>Electrics and Electronics</b>	Acquisition of two lots of accumulator batteries in Cadmium-nickel for stations HT/MT	March 10, 2012	April 10, 2012
<b>Electrics and Electronics</b>	Supply of electric parts and lighting material	March 2, 2012	April 5, 2012
<b>Electrics and Electronics</b>	Acquisition of scientific material for the profit of the Faculty of Science: Lot1: Material for TP of optical communications , Lot2: Material for TP of Energy and Lot3: Measuring equipment	March 1, 2012	March 31, 2012
<b>Electrics and Electronics</b>	Supply of five electromagnetic separators of deferrailage for the factories of acid and DAP	February 9, 2012	March 29, 2012
<b>Electrics and Electronics</b>	Acquisition of two electronic variators speed for the order of engines with continuous current	February 25, 2012	March 28, 2012

## TUNISIA TENDERS DATABASE

<b>Health (Scientific and Medical Equipment)</b>	Supply of laboratory material for the management of scientific research in Sfax	March 7, 2012	April 5, 2012
<b>Industrial Supplies</b>	Supply of two planetary reducers for the factory of acid	March 15, 2012	May 17, 2012
<b>Industrial Supplies</b>	Acquisition of 30 various trackside equipment and 20 apparatuses of dilation for metric track	March 8, 2012	May 7, 2012
<b>Industrial Supplies</b>	Acquisition of 250,000 spacers for reinforced concrete cross-pieces type SL	March 8, 2012	April 30, 2012
<b>Industrial Supplies</b>	Acquisition of 13000 tons of rails 46 E2 weight 46,27kg, 300tonnes of rails 50 E6 weight 50.90 kg and 300 tons of rails 54 E1 weight 54.77 kg	March 6, 2012	April 23, 2012
<b>Industrial Supplies</b>	Acquisition of matchbox 50 stems	March 12, 2012	April 23, 2012
<b>Industrial Supplies</b>	Acquisition of a mud pump	March 15, 2012	April 20, 2012
<b>Industrial Supplies</b>	upply and starting of a spectrometer of x-ray fluorescence of table for the factory	March 15, 2012	April 19, 2012
<b>Industrial Supplies</b>	Acquisition of different pieces	March 1, 2012	April 16, 2012
<b>Industrial Supplies</b>	Construction of the works of transfer of water of the dams Kebir and Moula, pumping station, lot4: hydromechanics and electricity: (Study, manufacturing, assembly and commissioning of the hydraulic and electric equipment of the pumping station and Concrete of second phase for the sealing of the fixed parts	February 6, 2012	April 14, 2012
<b>Industrial Supplies</b>	Acquisition of equipment of formation for the sectoral center of training in metal structure divided into 36 lots	March 12, 2012	April 13, 2012
<b>Industrial Supplies</b>	Supply of 1500 m unipolar electric cables MT with radial aluminum field	March 13, 2012	April 12, 2012

## TUNISIA TENDERS DATABASE

<b>Industrial Supplies</b>	Supply of 03 hydraulic coupler for the factory	March 13, 2012	April 12, 2012
<b>Industrial Supplies</b>	Supply of 03 hydraulic coupler for the factory	March 13, 2012	April 12, 2012
<b>Industrial Supplies</b>	Supply of 95,000 mechanical cold water meters of diameter 15mm	March 11, 2012	April 11, 2012
<b>Industrial Supplies</b>	Furniture, assembly and starting of analysis equipment and gas quality control of sampling posts and delivery gas of the company	February 14, 2012	April 10, 2012
<b>Industrial Supplies</b>	Acquisition of two lots of accumulator batteries in Cadmium-nickel for stations HT/MT	March 10, 2012	April 10, 2012
<b>Industrial Supplies</b>	Acquisition of three protection systems with security valve of hydraulical control	March 2, 2012	April 10, 2012
<b>Industrial Supplies</b>	Supply of monometers, thermometers, probes and thermocouples	March 2, 2012	April 5, 2012
<b>Industrial Supplies</b>	Supply of electric parts and lighting material	March 2, 2012	April 5, 2012
<b>Industrial Supplies</b>	Supply of laboratory material for the management of scientific research in Sfax	March 7, 2012	April 5, 2012
<b>Industrial Supplies</b>	Acquisition of scientific material for the profit of the Faculty of Science: Lot1: Material for TP of optical communications , Lot2: Material for TP of Energy and Lot3: Measuring equipment	March 1, 2012	March 31, 2012
<b>Industrial Supplies</b>	Supply of polycarbonate charts for driving license and certificates (registration divided into 02 lots)	March 7, 2012	March 30, 2012
<b>Industrial Supplies</b>	Supply of five electromagnetic separators of deferrailage for the factories of acid and DAP	February 9, 2012	March 29, 2012

## TUNISIA TENDERS DATABASE

<b>Industrial Supplies</b>	Acquisition of a chromatograph for determination of simulated distillation at high temperature of crude oils and the residues and of a chromatograph in gas phase for analysis of the petrols	February 22, 2012	March 27, 2012
<b>Office Supplies and Furniture</b>	Supply of laboratory material for the management of scientific research in Sfax	March 7, 2012	April 5, 2012
<b>Office Supplies and Furniture</b>	Acquisition of scientific material for the profit of the Faculty of Science: Lot1: Material for TP of optical communications , Lot2: Material for TP of Energy and Lot3: Measuring equipment	March 1, 2012	March 31, 2012
<b>Office Supplies and Furniture</b>	Acquisition of laser engraving printers for driving license and registration certificates	March 7, 2012	March 30, 2012
<b>Office Supplies and Furniture</b>	Acquisition of standard white newsprint and improved paper and salmon divided into 05 lots	March 3, 2012	March 21, 2012
<b>Research and Consulting</b>	Design and realization of the sewage treatment plant of the city and the systems of transfer of rough and purified waste waters: The realization of the studies, design, works of civil engineer and the supply, assembly and electromechanical equipment tests of the sewage treatment plant and the two pumping stations, as well as the supply, transport and pipes installation of transfer of rough and purified waste waters	January 28, 2012	May 7, 2012
<b>Research and Consulting</b>	Construction of the works of transfer of water of the dams Kebir and Moula, pumping station, lot4: hydromechanics and electricity: (Study, manufacturing, assembly and commissioning of the hydraulic and electric equipment of the pumping station and Concrete of second phase for the sealing of the fixed parts	January 16, 2012	April 14, 2012
<b>Vehicles</b>	Acquisition of a truck of cleaning of the pits and aspiration of the low points of the hydrant network	March 1, 2012	March 22, 2012
