

ADVERTISEMENT FOR A/E SERVICES

Architectural services for the strengthening of the mezzanine floor in one of the U.S. Government's office buildings at the U.S. Embassy, Ankara is required.

Firms responding to this announcement on or before the closing date will be considered for selection using the following evaluation criteria in descending order of importance:

- Relevant, professional qualifications of the firm in the type of work required for projects having a construction value of at least \$250,000 in the past three years;
- Specialized experience and technical competence in the type of work required;
- Demonstrated success on similar projects in terms of quality of work and compliance with performance schedules, cost/schedule controls and program/project management techniques. Briefly describe internal quality assurance and cost control procedures and indicate effectiveness by listing budget/estimated construction cost, award amount, final design estimate and construction changes for five recent projects. Although previous or ongoing performance of a similar U.S. Government contract is not required for firms responding to this solicitation, if such contracts have been performed, the offeror must have performed at a satisfactory level; and
- Personnel capacity to accomplish the work in the required time.

The Embassy will select for negotiation the licensed firm that demonstrates the best qualifications. Replies to this advertisement with a completed Standard Form 330, (available upon request), must be received not later than 10:00 a.m. local time on February 5, 2014 electronically to Yalhim@state.gov and FundahnMJ@state.gov and in hardcopy at 314. Sok. No: 11, Kirkkonaklar.
