DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

**Statement of Work**

**1. Description**

**1.1. General.** The American Embassy at Ankara, Turkey requires the expert services of an Editor for preparation of a newsletter to be published on a weekly basis. The purpose of the newsletter, called The Ankara Scene, is to provide information of general interest (contributed by all entities belonging to the U.S. Mission in Turkey) and important messages from Embassy Management to the Embassy Community.

**1.2. Specific Work Requirements**

1.2.1. Article Preparation, Editing and Publication. The Editor may furnish a lead feature article; if desired, it may be written by the Editor, solicited from the community or found on the Internet. Both feature articles and shorter articles should be of an entertaining and informative nature with a special emphasis on Turkey – its language, culture, history, holidays – and on positive experiences travelling throughout Turkey. Articles should also highlight US holidays and history. The editor should include appropriate illustrations by gathering or creating them. The Editor will review and edit all sections of the Ankara Scene. Each edition of the Ankara Scene will normally be 10 pages (5 double sided). The next to the last page will always have a monthly community calendar. The final page will be a list of useful numbers and operating hours or embassy services that does not regularly change.

The Editor will compile each weekly Ankara Scene issue and prepare and forward an electronic version of the Ankara Scene to the CLO and Management Office no later than Wednesday COB.

1.2.2. Information Center. The CLO Office maintains an archive of the year's past issues and bound copies of previous years' issues with a table of contents.

1.2.3. Publication Deadlines. The Editor is responsible for consulting with the COR and meeting deadlines set for the Ankara Scene.

**2. U.S. Embassy Responsibilities:**

2.1. Supervision. The COR has ultimate oversight for the contents of the Ankara Scene.

2.2. Government Supplied Equipment. U.S. Government will not supply any equipment.

2.3. Additional Assistance. The contractor may choose to sub-contract preparation of issues during times when he/she will not be physically present in Ankara. He/she should advise the COR at least one week in advance, who will be acting Editor during such periods. The Editor will be responsible for paying any substitute editors for work performed, including any applicable taxes.

3. Invoices shall be submitted to the following address:

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) o Are, o are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) o Have, o have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(4) o Have, o have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products (Executive Order 13126)*. [*The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).*]
