The contract will be a firm fixed price contract, with no adjustment for any escalation in costs or prices of labor or materials. Please be advised that each offeror is responsible for furnishing complete information to its subcontractors and suppliers should not be referred to the Embassy for determining the amount or quantities of materials required.

In the event of an unauthorized or unexcused delay in completing the project, liquidated damages in the amount of US\$233.33 per calendar day will be assessed until substantial completion of the project is achieved.

The Contracting Officer reserves the right to reject any and all proposals and to waive any informality in proposals received.
