Sworn Statement of Refugee Applying for Admission into the United States

Authority. The Authority to collect this information is contained in 8 U.S.C. 1157. Failure to provide all requested information could delay the final decision or result in denial of your request. The information collected will be used to make a determination on your application for admission. It may, however, be provided to other U.S. government agencies.

Penalties. If you knowingly and willfully falsify or conceal a material fact or submit a false document with this application, you will face penalties provided by law and may be subject to criminal prosecution.

Public Reporting Burden. Under the Paperwork Reduction Act (5 U.S.C. 1320), a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. Often this is difficult because some immigration laws are very complex. The estimated average time to complete and file this application is 20 minutes per application. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to the Immigration and Naturalization Service, 425 I Street, N.W., Room 5307, Washington, DC 20536. *(Do not mail **your** completed application to this address.)*
