PRICES, BLOCK 23

A. PRICE

The contractor shall complete all work, including furnishing all labor, material, equipment and services required under this purchase order for the following firm fixed price and within the time specified. This price shall include all labor, materials, overhead and profit.

_____ Total Price (AED)

A.1 VALUE ADDED TAX.

The Government will not reimburse the Contractor for VAT under this contract. The Contractor shall not include a line for VAT on Invoices as the U.S. Embassy has a tax exemption certificate with the host government.

B. SCOPE OF WORK

The American Embassy in Abu Dhabi, UAE has a requirement to obtain services of a General Contractor to perform painting work inside the buildings in the Embassy compound.

The requirement consists of painting of the existing painted walls, columns and ceilings in two parts i.e. Base Requirement Items and Optional Items. The base requirement is for work in common areas including hallways, public spaces, electrical/mechanical utility rooms, restrooms, cafeteria, meeting rooms, stairs, storage closets, etc. The optional requirement is for general offices and individual office rooms. The Embassy may elect to include the optional items, in full or partial quantities based on unit prices, during currency of the contract.

Estimated total quantity of the base requirement is 14,268 square meters (Sqm) and estimated total quantity of the optional requirement is 10,953 Sqm. Details of quantities for both requirements are included in 'Schedule of Quantities' section. The Contractor shall be paid on the basis of measured finish painted surface area.

B.1 GENERAL REQUIREMENTS

- a) The Contractor shall provide material, labor and tools equipment needed to complete the work described in this statement of work (SOW).
- b) The Contractor shall have all local permits to operate as a building painting contractor.

- c) The Contractor shall carry out activities in a manner that will allow access to the Embassy facilities at all times. Activities in the work areas shall be sequenced in multiple phases wherein quantity of finish surface area in each phase shall be in the range of 200 to 500 Sqm. Estimated quantities for various areas are tabulated in the ‘Schedule of Quantities’ section.
- d) The Contractor shall perform work in a manner that will allow conduct of business of the Embassy without discomfort to the occupants. Work in public spaces, cafeteria and offices shall be scheduled on weekends / holidays and outside the normal business hours on work days. Normal business hours of the Embassy are 8:30 AM to 5:00 PM Sunday through Thursday.
- e) The Contractor shall survey site during solicitation phase and submit technical proposal with method statement covering sequencing, materials, quality control, safety management and past performance. The past performance shall include list of similar work done.
- f) The Contractor shall perform work in diligent manner and achieve completion within the specified performance period.

B.2 CONTRACT ADMINISTRATION

- a) The Contractor shall not perform work that is outside the SOW unless directed in writing by the Contracting Officer (CO). Any work done by the Contractor outside the SOW without direction from the CO will be at the Contractor’s own risk and at no cost to the Embassy.
- b) The CO shall provide a Notice to Proceed (NTP) to begin performance of work after the contract award. A separate NTP shall be provided for the optional requirement.
- c) Facility Manager at the Embassy of his nominee shall be designated as Contracting Officer's Representative (COR) for administration of this contract. The COR shall coordinate schedule for each phase, approve technical submittals, inspect work, monitor progress, accept completed work, review invoices, review change orders, and issue/receive Government Furnished Items. The COR has the authority to direct the Contractor to stop performance of work if unsafe work conditions are observed.

B.3 RESPONSIBILITY OF THE CONTRACTOR

- a) The Contractor shall bear complete responsibility for management of painting work at site. The Contractor shall assign a Project Coordinator (PC) to represent the Contractor at site and to manage the performance of work during currency of the contract. The PC shall have adequate English language skills to be able to communicate with CO and COR.

- b) The Contractor shall bear complete responsibility and management control for the sub-contracted services and shall not depute the sub-contractor to represent the Contractor in dealings with the Embassy.
- c) The Contractor shall bear complete responsibility for safe performance of work at site and comply with all local laws pertaining to construction labor and safety. In addition, the safety requirements relative to this SOW as contained in the USACE Manual EM 385-1-1 shall apply. In case of a conflict between the local laws and the requirements of EM 385-1-1, the stringent of the two shall apply. A soft copy of the USACE Manual EM 385-1-1 is available in the following link: http://www.publications.usace.army.mil/Portals/76/Publications/EngineerManuals/EM_385-1-1_English_2003.pdf
- d) The Contractor shall prepare and implement a safety management plan specific to the SOW based on hazards analyses of the activities. A copy of the safety management plan shall be provided to the COR for reference. The Contractor shall promptly report all mishaps / accidents at site to the COR.
- e) The Contractor shall prepare and institute a quality management plan specific to the SOW. The plan shall describe the standard operating procedures for technical approvals, procurement actions, site inspections, testing and corrective actions. The A copy of the quality management plan shall be provided to the COR for reference.
- f) The Contractor shall comply with security requirements and be responsible for conduct of employees and subcontractors at work site.
- g) The Contractor shall be liable for the damages caused by the Contractor's negligent performance of any of the services furnished under this contract.
- h) The Contractor shall provide warranty for workmanship and materials for 12 months from the date of final completion.

B.4 SAFETY

- i. Prepare and submit a safety management plan for COR approval prior to starting performance under this contract.
- ii. Use approved ladders and scaffolding for work on elevated surfaces.
- iii. Comply with local labor laws pertaining to safety.
- iv. Provide training to workmen in handling and application of various types of paint materials. Follow directions provided in manufacturer's MSDS for each type of material. Maintain a copy of easily accessible MSDS for all materials at work site.

- v. Provide PPE including coveralls, safety shoes, gloves, body harness, safety ropes, etc. needed for safe performance of work.
- vi. The COR may require request for additional safety procedures if deemed necessary and the Contractor must comply with these. The Contractor shall promptly report all accidents, minor or major, to the COR.

B.5 SECURITY REQUIREMENTS

- a) The Contractor shall, after award of the contract, provide information on each employee who will be working at the Embassy site under the contract. Contractor shall include a list of workers and supervisors assigned to this project. Furnish passport copy, residence visa / work visa copy, and completed Form DS-174 for each of the personnel to facilitate clearance by Embassy security office. Security office will run background checks on these individuals. It is anticipated that it will take four (4) weeks to perform the background checks. Each of the personnel will be required to obtain local police clearance certificate as part of the background checks. The Embassy shall provide necessary request letter addressed to the police department.
- b) Certain work areas in the Embassy will require a security escort and can only be entered during scheduled times. The Contractor shall coordinate with COR for work schedule in these areas. The security office will provide the security requirements. The Contractor shall provide workers general work instructions to avoid accidental security violations.
- c) The Contractor shall coordinate material and equipment deliveries with the COR who in turn will coordinate it with the Embassy security office for access approval. The Contractor shall provide vehicle and delivery personnel information in advance.

B.6 EXECUTION OF WORK AT SITE

- a) The COR and the Contractor shall review the method statement submitted with the technical proposal, before the contract award, and agree to a sequencing and phasing plan. The Contractor shall commence work in a phase only after completion and acceptance of work in the previous phase. The Contractor shall begin activities in a phase after ensuring availability of material and tools.
- b) The Contractor shall neatly stage materials and tools in a designated location. No tools and materials shall be left in work area at the end of work-day. Keep the work areas clear of hindrances, trip hazards, and unused materials at all times. The Contractor shall be responsible for safe-keeping of materials and tools equipment at site. Store paint materials under conditions recommended by manufacturer.
- c) The Contractor shall not disturb or damage any fixed property (including light fixtures, floors, carpets, tiled ceiling, doors, windows, or metal/wood surfaces) and provide temporary protective covers in a manner acceptable to COR. The Contractor shall, prior

to starting surface preparation, move & cover furniture with full covers, remove moveable items (including artwork, area rugs, table lamps, furnishings, or office equipment appliances) and cover fixtures (including architectural hardware, electric switch/receptacle plates, machined surfaces, or other items that are not to be painted) with masking tape. Following completion of painting operations in each phase, the Contractor shall remove covers, clean the fixtures with approved method and return the furniture and artwork to their original position. Do not use cleaning fluids that will alter the original finish or the fixtures.

- d) If the Contractor spills any paint, or in any way soils the floors, the Contractor shall clean up using a specialist floor finishing company at the Contractor's expense.
- e) For optional requirement of painting work in offices, the Contractor shall move the modular workstations to paint behind them. The Facility Management Techs, however, will assist the Contractor to disconnect sections of the workstations and the electric/telecom equipment.
- f) The Contractor shall contain debris including empty paint containers, rollers, brushes, plastic sheets, etc. in a construction dumpster and legally dispose it
- g) The Contractor shall remove temporary covers, scaffolding, barricades and clean the work site as acceptable to the COR after completion of each phase of work.
- h) Temporary power and water required for the work shall be provided by the Embassy.

- iii. Mobilize materials, tools, equipment etc. and store at designated staging area in consultation with the COR.

B.9 QUALITY CONTROL REQUIREMENTS

- i. Provide a quality control plan for the COR approval. The plan shall describe work instructions, inspection procedures and corrective action procedures to be employed by the Contractor.

C. ACCEPTANCE OF SCHEDULE

When the Government has accepted any time schedule, this acceptance shall be binding on the Contractor. The completion date is fixed and may be extended only by a written contract modification signed by the Contracting Officer. Acceptance or approval of any schedule or revision by the Government shall not:

- (1) extend the completion date or obligate the Government to do so;
- (2) constitute acceptance or approval of any delay, or;
- (3) excuse or relieve the Contractor of its obligation to maintain the progress of the work and achieve final completion by the established completion date.

D. WORKING HOURS

Normal work hours at the Embassy are 8:30 AM to 5:00 PM Sunday through Thursday. The Contractor shall perform work in a manner that will allow conduct of business of the Embassy without discomfort to the occupants. F. INSURANCE

A. Amount of Insurance

The Contractor is required to provide whatever insurance is legally necessary under Section I, 52.228-5, "Insurance - Work on a Government Installation." The Contractor shall, at its own expense, provide and maintain during the entire performance period the following insurance amounts:

General Liability (includes premises/operations, collapse hazard, products, completed operations, contractual, independent contractors, broad form property damage, personal injury)

1. Bodily Injury on or off the site stated in AED:

Cumulative AED 1,500,000

2. Property Damage on or off the site in AED:

Cumulative AED 1,500,000

The types and amounts of insurance are the minimums required. The Contractor shall obtain any other types of insurance required by local law or that are ordinarily or customarily obtained in the location of the work. The limit of such insurance shall be as provided by law or sufficient to meet normal and customary claims.

The Contractor agrees that the Government shall not be responsible for personal injuries or for damages to:

- (a) any property of the Contractor,
 - (b) its officers,
 - (c) agents,
 - (d) servants,
 - (e) employees, or
 - (f) any other person,
- arising from and incident to the Contractor's performance of this contract.

The Contractor shall hold harmless and indemnify the Government from any and all claims arising, except in the instance of gross negligence on the part of the Government.

The Contractor shall obtain adequate insurance for damage to, or theft of, materials and equipment in insurance coverage for loose transit to the site or in storage on or off the site.

B. Government as Additional Insured

The general liability policy required of the Contractor shall name "the United States of America, acting by and through the Department of State", as an additional insured with respect to operations performed under this contract.

C. Insurance-Related Disputes

Failure to agree to any adjustment contemplated under this contract regarding insurance shall be a dispute within the meaning of FAR 52.233-1, Alternate I, "Disputes". Nothing in this clause shall excuse the Contractor from proceeding with the work, including the repair and/or replacement as herein above provided.

D. Time for Submission of Evidence of Insurance

The Contractor shall provide evidence of the insurance required under this contract within seven (7) calendar days after contract award. Failure to timely submit this evidence, in a form acceptable to the Contracting Officer, may result in rescinding or termination of the contract by the Government.

G. LANGUAGE PROFICIENCY

The project manager assigned by the Contractor to superintend the work on-site, as required by Section I, 52.236-6, "Superintendence by the Contractor", shall be fluent in written and spoken English.

H. LAWS AND REGULATIONS

A. Compliance Required

The Contractor shall, without additional expense to the Government, be responsible for complying with all host country laws, codes, ordinances, and regulations applicable to the performance of the work, and with the lawful orders of any governmental authority having jurisdiction. Host country authorities may not enter the construction site without the permission of the Contracting Officer. Unless directed by the Contracting Officer, the contractor shall comply with the more stringent of:

- (a) the requirements of such laws, regulations and orders; or
- (b) the contract.

If a conflict among the contract and such laws, regulations and orders, the Contractor shall promptly advise the Contracting Officer of the conflict and recommend a proposed course of action for resolution by the Contracting Officer.

B. Labor, Health and Safety Laws and Customs

The Contractor shall comply with all local labor laws, regulations, customs and practices pertaining to labor, safety, and similar matters, to the extent that such compliance is not inconsistent with the requirements of this contract.

C. Evidence of Compliance

The Contractor shall submit proper documentation and evidence satisfactory to the Contracting Officer of compliance with this clause.

I. SAFETY – ACCIDENT PREVENTION

- A. General. The Contractor shall provide and maintain work environments and procedures that will:

- (1) safeguard the public and Government personnel, property, materials, supplies, and equipment exposed to contractor operations and activities;
- (2) avoid interruptions of Government operations and delays in project completion dates; and
- (3) control costs in the performance of this contract.

For these purposes, the Contractor shall:

- (a) Provide appropriate safety barricades, signs and signal lights;
- (b) Comply with the standards issued by any local government authority having jurisdiction over occupational health and safety issues; and
- (c) Take any additional measures the Contracting Officer determines to be reasonably necessary for this purpose.

B. Records. The Contractor shall maintain an accurate record of exposure data on all accidents incident to work performed under this contract resulting in:

- (1) death,
- (2) traumatic injury,
- (3) occupational disease, or
- (4) damage to or theft or loss of property, materials, supplies, or equipment.

The Contractor shall report this data as directed by the Contracting Officer.

C. Subcontracts. The Contractor shall be responsible for its subcontractors' compliance with this clause.

D. Written Program. Before starting the work, the Contractor shall:

- (1) Submit a written proposal for implementing this clause; and
- (2) Meet with the Contracting Officer to discuss and develop a mutual understanding of the overall safety program.

E. The Contracting Officer shall notify the Contractor of any non-compliance with these requirements and the corrective actions required. The Contractor shall immediately take corrective action after receiving the notice. If the Contractor fails or refuses to promptly take corrective action, the Contracting Officer may issue an order suspending all or part of the work until satisfactory corrective action has been taken. The Contractor shall not be entitled to any equitable adjustment of the contract price or extension of the performance schedule for any suspension of work issued under this clause.

J. CONSTRUCTION PERSONNEL

A. Removal of Personnel

The Contractor shall:

- (1) maintain discipline at the site and at all times;
- (2) take all reasonable precautions to prevent any unlawful, riotous or disorderly conduct by or amongst those employed at the site; and
- (3) take all reasonable precautions for the preservation of peace and protection of persons and property in the neighborhood of the project against unlawful, riotous, or disorderly conduct.

The Contracting Officer may require, in writing, that the Contractor remove from the work any employee that the Contracting Officer determines:

- (1) incompetent,
- (2) careless,
- (3) insubordinate or
- (4) otherwise objectionable, or
- (5) whose continued employment on the project is deemed by the Contracting Officer to be contrary to the Government's interests.

A. Construction Personnel Security

After award of the contract, the Contractor has five (5) calendar days to submit to the Contracting Officer a list of workers and supervisors assigned to this project for the Government to conduct all necessary security checks. It is anticipated that security checks will take 30 days to perform. For each individual the list shall include:

Full Name
Place and Date of Birth
Current Address
Identification number (copy of Passport and EID)

Failure to provide any of the above information may be considered grounds for rejections and/or resubmittal of the application. Once the Government has completed the security screening and approved the applicants a badge will be provided to the individual for access to the site. This badge may be revoked at any time due to the falsification of data, or misconduct on site. These passes must be displayed visibly by all Contractor personnel working on site. The Contractor shall inform its employees to be used under this contract that they may be subject to search by the Government when entering or leaving work. The Contractor shall return all passes upon conclusion of the contract.

K. MATERIALS AND EQUIPMENT

A. General. The Contractor shall provide all necessary painting supplies and equipment, including brushes, rollers, buckets, mixers, space heaters, drop cloths, scrapers, sanding gear, electric sprayers, and texture sprayers if necessary to perform the work. No materials will be furnished by the Government.

B. Selection and Approval of Materials

1. Standard of quality. All materials and equipment incorporated into the work shall be new and for the purpose intended, unless otherwise specified, and all workmanship shall be of good quality and performed in a skillful manner as determined by the Contracting Officer.
2. Selection by Contractor. Where the contract permits the Contractor to select products, materials or equipment to be incorporated into the work, or where specific approval is otherwise required by the contract, the Contractor shall give the Contracting Officer, for approval:
 - (a) the names of the manufacturer;
 - (b) model number;
 - (c) source of procurement of each such product, material or equipment; and
 - (d) other pertinent information concerning the:
 - (i) nature,
 - (ii) appearance,
 - (iii) dimensions,
 - (iv) performance,
 - (v) capacity, and
 - (vi) rating,unless otherwise required by the Contracting Officer.
3. The Contractor shall provide this information in a timely manner to permit the Government to evaluate the information against the requirements of the contract. The Contractor shall provide a submittal register ten (10) days after contract award showing when shop drawings, samples, or submittals shall be made. The Contractor shall submit samples for approval at the Contractor's expense, with all shipping charges prepaid, when directed to do so by the Contracting Officer or COR. Installation or use of any products, materials or equipment without the required approval shall be at the risk of rejection.

C. Custody of Materials

The Contractor shall be responsible for the custody of all materials received for incorporation into the project, including Government furnished materials, upon delivery to the Contractor or to any person for whom it is responsible, including subcontractors. The Contractor

shall deliver all such items to the site as soon as practicable. If required by the Contracting Officer, the Contractor shall clearly mark in a manner directed by the Contracting Officer all items of which the Contractor has custody but which have not been delivered or secured at the site, clearly indicating the use of such items for this U.S. Government project.

L. WARRANTIES

Under FAR 52.212-4, Contract Terms and Conditions-Commercial Items, the Contractor warrants items and services provided. The Contractor shall obtain and furnish to the Government all information that is required in order to make any subcontractors, manufacturers, or supplier's guarantee or warranty legally binding and effective. The Contractor shall submit both information and the guarantee or warranty to the Government in sufficient time to permit the Government to meet any time limit requirements specified in the guarantee or warranty, but not later than completion and acceptance of all work under this contract.

The Contractor shall provide warranty for workmanship and materials for 12 months from the date of final completion.

M. PAYMENT

The Contractor shall submit invoices as instructed by FAR 52.212-4(g).

- a) This is fixed unit rate and measurable quantity based contract. The Contractor shall submit monthly progress payment request on the basis of work completed. The COR will review and recommend the invoice for payment.
- b) The Contractor shall specifically identify the last invoice as "Final Invoice." The final invoice shall include the remaining payment claimed to be due under the base contract and all modifications issued, if any. The final invoice shall also have the Contractor's Release of Claims Certificate and the Workmanship Warranty attached.

CONTINUATION TO SF-1449, RFQ NUMBER STC10014Q0839-M001
SCHEDULE OF SUPPLIES/SERVICES, BLOCK 20
DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

1. APPLICABLE PAINTING STANDARDS/PAINT SPECIFICATIONS

- a) The painting work activities shall include surface preparation and two coats of finish paint application. Prepare surface for finish painting to include scraping existing loose / peeled paint, applying compatible putty to repair surface, sanding, matching the adjacent texture and applying primer for the repaired surface. After surface preparation, apply two coats of approved finish paint. Provide full-coat finish field samples on at least one Sqm of surface of each type of finish for COR review and approval. Do not proceed with final coat of paint until the first coat has dried and has been inspected by COR. Provide manufacturer recommended fillers and primers that are compatible with the finish coat materials and substrates.
- b) Examine substrates and conditions under which painting will be performed for compliance with paint application requirements. Do not begin to apply paint until unsatisfactory conditions have been corrected.
- c) Before applying paint or other surface treatments, clean the substrates of substances that could impair the bond of the various coatings. Schedule cleaning and painting so dust and other contaminants from the cleaning process will not fall on wet, newly painted surfaces.
- d) Do not dilute the paints with water or thinner and apply the paint at the rate recommended by the manufacturer. Match existing texture and approved samples for color. Strain paint, if needed, to achieve uniform surface finish.
- e) The contractor shall use the specified painting materials, or approved equal products in terms of performance and finish. Submit product data, test data and shade cards for COR approval, if equal products are proposed to be used. These equal products must be identified at the time of submission of cost proposal.
- f) General color scheme for various surfaces shall be as per existing shades. The paints specifications indicated in the following paragraphs are based on the materials previously and currently used at the Embassy. Changes in color shades shall be approved by COR and finalized in accordance with the “Changes” clause of the contract.
- g) Apply paint to match lines and levels of different surfaces. Paint runoffs, dribbles, etc. shall be cleaned immediately so as not to leave mark on surfaces not to be painted.
- h) Paint the exposed surfaces according to the finish schedule described in the following paragraphs.

- i) Interior walls with gypsum board substrates: Provide two coats of Interior, Vinyl Acrylic Copolymer-Based Paint finish coat material such as JOTUN FENOMASTIC Silk Special color code 132524 - 2.
- j) Exposed interior columns and beams: Provide two coats of JOTUN FENOMASTIC Matt Special color to match existing yellow shade.
- k) Interior ceilings with gypsum board substrates: Provide two coats of Interior, Matt, Vinyl Acrylic Copolymer Based Paint finish coat material such as JOTUN FENOMASTIC Matt White.

2. EQUIPMENT

The Contractor shall provide all necessary painting supplies and equipment, including brushes, rollers, buckets, mixers, space heaters, drop cloths, scrapers, sanding gear, electric sprayers, and texture sprayers if necessary to perform the work. The Government will not furnish any materials.

652.206-70 COMPETITION ADVOCATE/OMBUDSMAN (AUG 1999) (DEVIATION)

- (a) The Department of State’s Competition Advocate is responsible for assisting industry in removing restrictive requirements from Department of State solicitations and removing barriers to full and open competition and use of commercial items. If such a solicitation is considered competitively restrictive or does not appear properly conducive to competition and commercial practices, potential offerors are encouraged to first contact the contracting office for the respective solicitation.

If concerns remain unresolved, contact the Department of State Competition Advocate on (703) 516-1696, by fax at (703) 875-6155, or by writing to:

Competition Advocate
U.S. Department of State
A/OPE
SA-15, Room 1060
Washington, DC 20522-1510.

- (b) The Department of State's Acquisition Ombudsman has been appointed to hear concerns from potential offerors and contractors during the pre-award and post-award phases of this acquisition. The role of the ombudsman is not to diminish the authority of the contracting officer, the Technical Evaluation Panel or Source Evaluation Board, or the selection official. The purpose of the ombudsman is to facilitate the communication of concerns, issues, disagreements, and recommendations of interested parties to the appropriate Government personnel, and work to resolve them. When requested and appropriate, the ombudsman will maintain strict confidentiality as to the source of the concern. The ombudsman does not participate in the evaluation of proposals, the source selection process, or the adjudication of formal contract disputes. Interested parties are invited to contact the contracting activity ombudsman, Judes DeBaere at 02-414-2334 and fax 02-414 2696. For a U.S. Embassy or overseas post, refer to the numbers below for the Department Acquisition Ombudsman. Concerns, issues, disagreements, and recommendations which cannot be resolved at a contracting activity level may be referred to the Department of State Acquisition Ombudsman at (703) 516-1696, by fax at (703) 875-6155, or by writing to:
