

*Embassy of the United States of America*

August 14, 2015

Dear Prospective Quoter,

SUBJECT: Request for Architect/Engineer Qualifications

Architect/Engineer (A&E) services are needed for the project of Fit-out of Leased Warehouse of the Embassy of United States of America in KIZAD, Abu Dhabi, UAE. The A&E services shall include design of building engineering systems namely HVAC, Electrical, Fire Protection, Plumbing, Security and Architectural finishes. We will select an Architect/Engineer firm based on technical qualifications. Firms wishing to be considered for this project should submit the attached Standard Form 330. Instructions for completing this form has been attached.

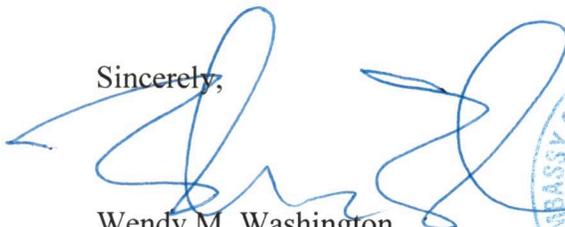

We will evaluate firms based on:

- Relevant, professional qualifications of the firm for the type of work required;
- Specialized experience and technical competence in the type of work required;
- Demonstrated success on similar projects in terms of quality of work and compliance with schedules;
- Capacity to accomplish work;
- Knowledge of locality of project; and,
- Licensed to operate as Architectural and Engineering design services provider in UAE in accordance with Estidama rating system requirements of the Emirate of Abu Dhabi.

Please submit a completed Standard Form 330 by 5pm on September 2nd, 2015. Resumes of key individuals may be attached to this form.

If you have any questions on this please send an e-mail to Joseph John at [JohnJM@state.gov](mailto:JohnJM@state.gov)

Sincerely,

Wendy M. Washington  
Contracting Officer
