

American Embassy Kyiv, Ukraine

April 8, 2013

To: Prospective Quoters

Subject: Request for Quotations number SUP300-13-Q-0005

Enclosed is a Request for Quotations (RFQ) for US Government –owned residential furniture reupholster services. If you would like to submit a quotation, follow the instructions in Section 3 of the solicitation, complete the required portions of the attached document, and submit it to the address shown on the SF 1449 that follows this letter.

The U.S. Government intends to award a Blanket Purchase Agreement (BPA) to one or more responsible companies submitting an acceptable quotation with fair and reasonable prices. We intend to award a BPA based on initial quotations, without holding discussions, although we may hold discussions with companies if there is a need to do so.

A BPA is an Agreement, not a contract, and neither party is bound by its terms and conditions. The Government is not obligated to purchase any definite amount under this BPA. If a need arises, an authorized representative of the Government may issue an order following the procedures outlined in the BPA. If the BPA-holder accepts the order, then a binding contract between the Government and BPA-holder will exist for that specific order. If the BPA-holder refuses to accept orders or furnish quotations in compliance with the terms of the Agreement, then it is likely that the Government will cancel the Agreement.

The Embassy intends to conduct a site visit and pre-bid conference, and all prospective offerors who have received a solicitation package will be invited to attend. The site visit will be held at 4 Igorya Sikorskoho St, on April 23, 2013 in 10:30 a.m. In order to participate in the site visit and conference the potential bidders are requested to register via telephone: 044-521-5250 or 044-521-5595.

Your proposal must be submitted in a sealed envelope marked "Proposal Enclosed" to Gregory MacDonald, Contracting Officer at the US Embassy located at 4 Igorya Sikorskoho St, Kyiv, Ukraine no later or before 16:30, April 15, 2013. No proposal will be accepted after this time.

Sincerely,

Gregory MacDonald,
Contracting Officer

This BPA, hereafter referred to as "Agreement" will establish the terms and conditions applicable to potential future furniture reupholster services. Our objective in establishing this Agreement is to reduce the Government's administrative costs and to eliminate unnecessary duplication of paperwork that can result when repetitive purchases of items are made from the same vendor.

If you accept our invitation, this Agreement will become effective upon acceptance by you and will remain in effect until BPA expires on May 25, 2016.

2. Scope of Work. If and when requested by the Contracting Officer or by persons named as authorized ordering officials in this Agreement, the Agreement-holder _____ agrees to furnish residential furniture reupholster services under the conditions specified in this Agreement and its Addenda.

3. Issuance of Orders. Any purchase made under this Agreement will be based on written quotations submitted. When orders are placed, the employee placing the order will identify himself/herself to you and provide you with the following information:

- Specific description of the services being purchased;
- The unit price(s) and total estimated price;
- The time and place of delivery; and

- AGREEMENT Number

4. Terms and Conditions. The following terms and conditions apply to this Agreement:

The Government is not obligated to purchase any definite amount under this Agreement.

The amount of any one order shall not exceed \$10,000.00.

- The total amount ordered under this Agreement shall not exceed \$150,000 over the life of this blanket purchase agreement.
- The prices to the Government shall be as low as or lower than those charged your most favored customers for comparable quantities under similar terms and conditions, in addition to any discount for prompt payment. In no event, shall the prices exceed those set forth in this Agreement.

Name of Ordering Officer Title Maximum Limitation per Order

7. Quotations and Order Issuance.

A. When the Embassy requests a quotation, the BPA-holder shall perform a pre-repair survey of the residential furniture to develop the estimate. The BPA-holder shall not charge for the pre-repair survey.

B. If more than one vendor has received an Agreement for these services, the following procedures shall govern regarding issuance of individual orders. The BPA-holder shall not perform any work without an order being issued to the BPA-holder by an authorized ordering official.

(1) As the need for services arises, the Government will develop a price estimate.

If the estimate does not exceed US\$3,000, the Government will follow the Procedures in paragraph (2) below. If the estimate exceeds US\$3,000, the Government will follow the procedures in paragraph (3) below.

(2) Orders not exceeding US\$3,000 - The Government will select a BPA-holder for issuance of the order. This decision will be based on the Government's best interests, which may include factors such as estimated price and past performance record.

(3) Orders exceeding US\$3,000 - Unless one of the exceptions in paragraph (4) below applies, the Government will follow one of the following two scenarios:

(a) The Government will request each BPA-holder to perform, AT NO COST TO THE GOVERNMENT, a pre-reupholster furniture survey after which the BPA-holder will present an estimate to the Government. Whether or not the BPA-holder is selected for an individual order, the Government shall not be liable for any claim from the BPA-holder for the costs of performing the pre-reupholster survey. Selection will be based on a combination of estimated price and past performance information; or

- (b) If the Contracting Officer can establish which BPA-holder's prices will result in the lowest price for the individual order without requesting a pre-reupholster survey, the Government will make its award selection based upon the prices set forth in the BPA and past performance information gained as a result of BPA-holder performance under this Agreement.

- (4) Regardless of whether the procedures in paragraph (2) or (3) above were followed, selection of BPA-holders shall not be protestable to GAO under Subpart 33.1 of the Federal Acquisition Regulation, except on the grounds that the order increases the scope, period, or maximum value of the Agreement. However, the Department of State does have an Acquisition Ombudsman who will review complaints by BPA-holders to ensure that all BPA-holders are afforded a fair opportunity to be considered for these task orders, pursuant to the procedures for award of task orders established herein.

- (5) Exceptions to the procedures in paragraph (4) above:
 - (a) The agency need for the required services is of such urgency that providing such competitive opportunity would result in unacceptable delays;

 - (b) The order should be issued on a sole-source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the agreement, provided that all awardees were given a fair opportunity to be considered for the original order.

7. Delivery tickets. For all furniture reupholsters the BPA-holder shall enclose a delivery ticket that shall contain the following minimum information:

- (i). Name of Supplier
- (ii). Agreement number
- (iii). Itemized list of services furnished, date
- (iv). Quantity, unit price
- (v). Name of the authorized employee who placed the order

8. Invoices and Payment.

A. The Government will make payments for each order issued under this Agreement in accordance with the payment terms provided herein, upon submission by the BPA-holder, of a proper invoice and a copy of the appropriate delivery tickets. 9. Law and Regulation. The use of this Agreement does not authorize purchases that are not otherwise authorized by law or regulation.

10. List of Attachments. The following attachments are part of this Agreement. If authorized ordering official issues an order under this Agreement and the BPA-holder accepts that order, then the order shall be performed in compliance with Attachments 1 and 2, and for purposes of performance of the services required under the order, the BPA-holder shall be a Contractor and each accepted order shall be a contract.

For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. (h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) o Are, o are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) o Have, o have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) o Are, o are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) o Have, o have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer

has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products* (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

(k) *Certificates regarding exemptions from the application of the Service Contract Act.* (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) [*The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.*]

(1) Maintenance, calibration, or repair of certain equipment as described in FAR [22.1003-4\(c\)\(1\)](#). The offeror o does o does not certify that—

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
