

September 22, 2011

The US Embassy Kyiv is interested in purchasing a total of thirty (30) commercial type hand dryers for its new location at 4 Sikorskoho Blvd in Kyiv, 04112, Ukraine. Delivery date: October 30st, 2011.

Hand dryers should meet the following minimum technical requirements:

Electrical supply: 230-240 V AC, single phase 50 Hz
Rated power: 1600 W
Standby power consumption: at most 1 W
Energy consumption per dry: at most 0.0044 kWh
Touch Free Activation
Total hand dry time of 10 seconds max.
Anti-microbial HEPA H12 filter
Operating airflow at least 37 l/s Unit weight - at most 10kg
IP Code or Ingress Protection Rating of at least IPX5

Please ensure:

- you name your brand and model# that matches or exceeds the requirement
- to provide your offer's particular model's detailed specifications
- to quote price in USD (local vendors should specify final invoice's exchange rate)
- to itemize value added tax (VAT), if subject
- to state offer's validity period
- to provide warranty's detailed terms and conditions
- provide manufacturer warranty term for Ukraine

Offers should be submitted before *COB (6 pm local time) on Wednesday, September 28, 2011.*

According to the U.S. Federal Acquisition Regulations (FAR), advance payments are prohibited. Payments may be made upon receipt of goods by the customer. Pursuant to the Prompt Payment Act of the FAR, the U.S. Government must make the payment within 30 calendar days after receipt of the merchandise and the valid original invoice. Please confirm in your offer that these payment terms are acceptable to your company.

If you have any questions or concern regarding the subject requirement, please submit them to us in writing at my following e-mail address: PetrinaID@state.gov

Thank you for your time and efforts.
