St Paul's Cathedral
Thursday,
November 24, 2011
11:00 a.m.

No tickets are needed for the Thanksgiving Day Service this year, but each person may be required to pass through a metal detector and have bags searched. Please therefore bring minimal baggage and remove any metal objects from pockets prior to being checked. Given the high level of security, it is important to arrive at the Cathedral early. Photography in the Cathedral is not permitted. Mobile phones should be switched off.

The doors open at 9:45 am. Please plan to arrive no later than 10:30 a.m.
Entry will be via the west end of the Cathedral.
