

I-407 Appointment

In order to make an appointment with USCIS – London, use the following instructions:

- ❑ Go to: <http://infopass.uscis.gov>
- ❑ Click the "English" button;
- ❑ Click to "Make an appointment with InfoPass";
- ❑ Enter "United Kingdom" for country;
- ❑ Choose Date for Appointment: **Please note that appointments can only be scheduled for 2 weeks or less from the date you are making the appointment. If you try to make an appointment for a date more than 2 weeks away the system will not let you make the appointment.**
- ❑ Fill in the information for and follow the menu to obtain an appointment for yourself. Once confirmed, you will be able to print out the appointment letter which you must bring on the day of your appointment.

IMPORTANT: Please note that individual appointments must be made for EACH person who is required to attend. To enter the Embassy each person must have a separate appointment letter. Therefore, you will have to repeat the above process for each person in your party.

- ❑ Check "If you wish to formally abandon your permanent resident status, click here";
- ❑ Fill in the information for and follow the menu to obtain an appointment for yourself. Once confirmed, you will be able to print out the appointment letter which you must bring on the day of your appointment.

Please note that EACH person that will be entering the Embassy must have a separate appointment letter. Therefore, you will have to repeat the above process for each person in your party.

Only those persons with an appointment letter will be allowed into the Embassy. If you come to the Embassy and you are not on the appointment schedule OR you do not have your appointment letter, you will not be permitted through security to enter the Embassy.

Sincerely,

USCIS-London
