December 22nd, 2015

Subject: Pre-Solicitation Notice for Mobile Telecommunication Services.

Solicitation No. SUK560-16-Q-0004

The Contractor will need to provide complete mobile telecommunication services on a 24 hours per day 365 days per year basis to the U.S. Government. Services provided shall include but not be limited to:

Mobile Telephone Equipment (i.e. standard cell phones and “smartphones”);

Mobile voice and 4G data services for smartphones and mobile data devices;

Mobile voice services for standard cell phones;

Voice calls and SMS text messaging within the United Kingdom;

voice calls and SMS text messaging when roaming internationally;

Voice Mail Data Services;

Calls to UK and International Directory enquiry numbers;

Calls to other Premium Rate Services;

24 hour Customer service; Quarterly detailed billing of calls/SMS/data usage; Ability for both Embassy administrators and cell service users to monitor voice and data usage.

The Contract will be for one base year and 2 optional years.

Please note this solicitation is not ready to be issued as of this date. The Embassy of the United States in London will launch the solicitation on the Federal Business Opportunities (FedBizOpps) website when it is available.
