

EducationUSA Opportunity Funds

Are you a top student? Do you want to apply to US universities, but can't afford the cost of taking the TOEFL and other tests? EducationUSA Opportunity funds can help!

EducationUSA Opportunity funds are awarded to talented students from Uzbekistan who have a good chance of receiving a scholarship from an accredited U.S. university, but who cannot afford the cost of applying to a U.S. university.

To be eligible for funding, you must

- be an excellent student
- be applying to degree programs at US universities
- be applying for Fall 2012 admission (undergraduate or graduate studies)
- be in need of financial assistance

Applicants will be chosen on the basis of both merit and financial need. Winners will be awarded a TOEFL test (and other expenses, depending on TOEFL results). Priority will be given to students who have achieved a high score on TOEFL practice tests.

Please note: EducationUSA cannot guarantee admission to US universities and can only provide funding for application expenses.
