

OBESITY IN AMERICA

Thursday May 17th 2012, 2 pm
Speaker: Ms. Samathe Eulette, Consulate Officer

Venue: 8th Floor, Diamond Plaza, 34 Le
Duan Blvd., Dist.1, HCMC.

Over the past two decades, obesity has spread throughout the U.S. Today more than one third of all U.S. adults and 13 million children are classified as obese. These numbers continue to increase and at the current rate, this generation stands to become the first in this nation's history with a shorter life span than their parents.

Come to the American Center to learn more about this growing global problem and what policies advocates such as the First Lady Michelle Obama have implemented over the last few years.

All AC's programs are free for the public. If you would like to attend, please register at ACHCMC@state.gov or simply press "Like" on our events on facebook: <http://www.facebook.com/achochiminh.usconsulate>.
