SUGGESTED TO DOs LIST

Register online for express check-in at the fair <https://goo.gl/LAUnP3> and updated information from EducationUSA and schools.

Try to take advantage of the opportunity to meet the admission officer to learn about things you could hardly search elsewhere, such as:

- ✓ What are strong majors of the school? Does the school offer degrees on the subjects you want to study?
- ✓ What are the advantages in the school's curriculum and programs?
- ✓ How is the living environment, internship/job opportunities for international students?
- ✓ How much scholarship/ financial aid international students might get?
- ✓ Are there any support services for international students?
- ✓ The school's culture (students' clubs, liberal/conservative, teacher and students ratio, etc.)
- ✓ The admission requirements and competitiveness
Etc.

Consumers Digest (2015) ranks Truman as the #1 Public University in the United States. Business Insider (2014) calls Truman one of the Top 20 Public Schools with the Smartest Students. A small college in the heart of the Midwest, Truman's beautiful, residential campus in Kirksville, Missouri provides a welcoming learning environment where individuals matter. With small classes and a 16 to 1 student to faculty ratio, no one is just a name at Truman. Challenging academics, supportive professors, real-world learning experiences, internships, and 240 student organizations create a setting where intellectually curious students can thrive. As Missouri's only highly selective public liberal arts and sciences university, Truman is best known for offering exceptionally high-quality academic programs and an amazing educational value.
