Open to anyone with a Vietnamese ID living in Vietnam.

Great opportunity to win amazing GoPro cameras or digital photo frame!

Secretary of State John Kerry will host the 2016 Our Ocean conference from September 15 to 16.

The conference will focus on the key ocean issues of our time – marine protected areas, sustainable fisheries, marine pollution, and climate-related impacts on the ocean.

Recognizing the important social, economic and life style impacts of Vietnam's long coast line, the U.S. Embassy Hanoi and U.S. Consulate Ho Chi Minh City invite all Vietnamese citizens to participate in this photo contest. In addition to the chances to win GoPros and digital photo frame, winning photographs may be displayed on our websites, social media properties and/or in the Embassy itself and the Ocean website sponsored by the U.S. Embassy.
