Led by

Governor Christine Gregoire

Invite You to Attend

The Washington State Higher Education Forum

September 20, 2010 |

4 pm - 5:30 pm

| Hilton Hotel, Hanoi

FEATURING

LAKE WASHINGTON
TECHNICAL COLLEGE

Shoreline
COMMUNITY COLLEGE

Higher education in Washington State is more than just obtaining a degree—it's about taking the spirit of the Northwest and being inspired to achieve greatness. Washington State has strong local connections to major industries including software, biotechnology, aerospace, coffee, and medicine/research. Join representatives from these higher education institutions to discuss the merits of a Washington State education.

Lake Washington Technical College

Founded in 1949, Lake Washington Technical College (LWTC) offers affordable professional and technical training for today's job market and tomorrow's opportunity.

Featuring:

- Small class sizes
- Modern equipment
- Hands on-training
- Simulation of actual job environment

Our program provides you with high-tech, comprehensive training that will keep you in constant demand and open door to numerous types of career opportunities. International students are welcome to enter the more than 100 degree and certificate options available at LWTC.

LWTC is committed to providing an excellent educational experience for international students. We value the diversity of perspectives and experiences that international students bring to the college, and are dedicated to making the international student experience rewarding and memorable.

University of Washington

Founded in 1861 by a private gift of 10 acres in what is now the heart of downtown Seattle, the UW is one of the oldest public universities on the West Coast. We're deeply committed to upholding the responsibility that comes with that legacy.

UW students gain an understanding of community needs as well as issues around the globe — becoming respectful and educated citizens of the world.

At a Glance

About : the UW is a multi-campus university in Seattle, Tacoma and Bothell, as well as a world-class academic medical center.

Size of Campus: 500+ buildings, over 200 million gross square footage of space. Presence at more than 50 locations in more than 10 countries.

Colleges, Programs, and Degrees: 16 colleges and schools offering 1,800 undergraduate courses each quarter.

Our amazing students include:

- 136 Fulbright Scholars
- 35 Rhodes Scholars
- 7 Marshall Scholars
- 4 Gates Cambridge Scholars

St. Martin's University

As the only Catholic Benedictine university west of the Rockies, Saint Martin's University provides a holistic educational experience like no other. Instantly, you'll be part of it, our Benedictine tradition of listening to and learning from one another, of giving back to the world, of being good stewards to our community and welcoming to all.

At a Glance

Type of University: Private, Catholic Benedictine University, founded in 1895; students reflect a wide variety of religions and beliefs

Size of Campus: 380 peaceful acres, graced by woods, meadows, and trails

Number of Students: 1,300 undergraduates on main campus, 300 on extension campuses, 8% international; 300 graduate students; 10:1 student-faculty ratio

Number of Faculty: 75

Colleges, Programs, and Degrees: 21 undergraduate majors and six graduate programs. For students academically qualified to attend Saint Martin's but lacking required TOEFL score, Saint Martin's offers an intensive ESL program.

Shoreline Community College

Shoreline offers four integrated options:

- ESL
- High School Completion
- University Transfer
- Professional and Technical Programs

By providing personalized advising, we make sure that our students' hard work brings them closer to their goals.

Shoreline's ESL program is unique. We make sure that the placement is appropriate so that your Shoreline academic record always reflects your best capabilities and performance. Once you reach the intermediate courses, you can combine regular classes into your schedule. The result? Shoreline students do better, and are more prepared, when they enter a four-year university.

Why choose Shoreline?

- Individualized attention
- Excellent academic support services
- Distinguished and international faculty
- High university transfer rate
