

HOW TO REPRINT YOUR APPOINTMENT CONFIRMATION?

If you did not print out the appointment confirmation for your visa interview after you made an online appointment, please follow these steps if you want to reprint your appointment confirmation:

1. You should access the online appointment page at <https://evisaforms.state.gov/default.asp?postcode=HAN&appcode=3>,
2. Click "Schedule Appointment"
3. Enter the Barcode number of your DS 160 and click "submit" button
4. Choose any available appointment slot in the system (****Please note that this will not create a new appointment for you but just help you to get confirmation of your current appointment***)
5. Enter information in "Appointment Details" about your surname, given name, passport number, e-mail address and telephone number (***Please note that your surname and given name must be entered in an exact order as in your DS 160 if you want to retrieve your current appointment;*** otherwise the system will give you the new appointment that you chose in step 4)
6. Click "Submit" button
7. You will see a similar message to the one below, confirming that you already have an online appointment in our system for your visa interview. This page will be considered as your appointment confirmation for visa interview and please print this page to bring to your visa interview.

NIV Appointment System - Schedule Appointment

Based on the information provided, there is already an appointment scheduled for this applicant. If this appointment needs to be changed or cancelled, please enter the Confirmation ID generated for this appointment in the space provided below, then click the Change/Cancel Appointment button.

Note: The Confirmation ID was displayed on the appointment confirmation page when the appointment was originally scheduled.
