

Dear USAID Alumni,

USAID/Yemen believes in keeping in touch with you as a powerful force in furthering development objectives of Yemen. Forming a contact network for USAID/Yemen alumni is a tool which will facilitate and keep the communication among all USAID/Yemen alumni. Such network, will act as an instrument to transfer knowledge, skills, and experiences and share learned lessons and attitudes during your USAID sponsored training. Additionally, this network provides a great way for all alumni to network with one another, both socially and professionally. Meetings and events provide a forum to maintain bonds forged during different experiences and to build new friendships and connections. The network will also provide USAID/Yemen with a sustainable forum to engage and partner with you to advance shared development objectives and goals.

To start this process please fill USAID Alumni Form below and then email to USAID/Yemen email address ([AlajamiAN@state.gov](mailto:AlajamiAN@state.gov)). All submissions will be registered at USAID/Yemen system and will not be subject for sharing.
