

Document Type: Presolicitation Notice
Solicitation Number: SZA600-13-R-0002
NAICS Code: 238220 - Plumbing, Heating, and Air-Conditioning Contractors

Department of State, AF Posts, American Embassy Lusaka, Zambia

Please note that this solicitation is not ready to be issued as of this date. The requirement is for maintenance services of the Fire Pump and Fire Sprinkler System at the American Embassy located in Lusaka, Zambia. The anticipated performance is for a base period of twelve months and two one-year periods at the option of the Government. All responsible sources may submit an offer, which will be considered. The solicitation will be issued via the FedBizOpps and the American Embassy Lusaka website on the following link, <http://zambia.usembassy.gov/doingbusiness.html> .

In order to be eligible to perform under this contract, offerors must possess a Defense Security Service (DSS) Secret Facility Clearance (FCL), issued in accordance with the National Industrial Security Program Operating Manual (NISPOM), DOD 5220.22-M. All entities comprising a joint venture for this effort must possess an FCL, as well as the joint venture. Personnel requiring access to classified information or Controlled Access Areas (CAAs) at the embassy in Lusaka must possess an Interim Secret or Secret personnel security clearances issued by the Defense Industrial Security Clearance Office (DISCO) prior to deployment to Post. Offerors should submit their Commercial and Government Entity (CAGE) Code with proposals.

Note: The response date in this synopsis is not a firm date, please see the RFP for the actual date.
