Warden List

Wardens are private residents who volunteer to assist consular sections in routine and urgent situations and are an integral link between the U.S. citizen community and the United States Embassy. During our town hall meeting with U.S. citizens in February, several attendees requested that the U.S. Embassy provide residents with contact information for volunteer wardens in Zambia to strengthen the network and facilitate communication.

Working with our wardens, the consular section has developed a public list that includes the names, general location, and phone number of select wardens. If you would like to receive this list, please send us an email at ACSLusaka@state.gov.

The U.S. Embassy in Lusaka is located on Ibex Hill Road, Lusaka. The Consular Section can be contacted at 0211-357-000 or via email at ACSLusaka@state.gov. For assistance after hours or in an emergency, you can contact us at 0211-357-000 or 0966-877-805.
