

EducationUSA Launches "Your Five Steps to U.S. Study"

In an ongoing effort to explain the road to U.S. higher education in a more easily understood manner, we proudly announce the release of "Your Five Steps to U.S. Study" on the "For International Students" section of our EducationUSA site. To help students navigate their way through the sometimes overwhelming college search, application, financial aid, visa, and pre-departure process, we recommend the following steps all students should take:

1. Research Your Options
2. Complete Your Application
3. Finance Your Studies
4. Apply for Your Student Visa
5. Prepare for Your Departure

Whether seeking an undergraduate, graduate, English language, or short-term/exchange program, international students will traverse their way through these different steps. Please visit:
