Nationwide Strike or Hartal Called for Monday, March 28, 2016

March 27, 2016

The Jamaat-e-Islami, a political group, has called for a nationwide dawn-to-dusk hartal on Monday, March 28 to protest efforts to remove a constitutional provision for a state religion. "Dawn-to-dusk" hartals almost always begin at 6:00 a.m. on the day they are called and generally end at 6:00 p.m. on the same day. However, hartal organizers and supporters will often begin their protests the night before a hartal is scheduled to commence.

A hartal is a mass protest and recognized political method for articulating a political demand. As always, you should remain vigilant, avoid crowds and be aware of your surroundings at all times.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.
