**Nationwide Strike or Hartal Called for Wednesday, March 9, 2016**

**March 8, 2016**

The Jamaat-e-Islami, a political party, has called for a nationwide dawn-to-dusk hartal or strike on March 9 to protest the 2014 death sentence that was upheld today by the Supreme Court against one of the defendants convicted by the International Crimes Tribunal. "Dawn-to-dusk" hartals almost always begin at 6:00 a.m. on the day they are called and generally end at 6:00 p.m. on the same day. However, hartal organizers and supporters will often begin their protests the night before a hartal is scheduled to commence.

A hartal is a mass protest and recognized political method for articulating a political demand. As always, you should remain vigilant, avoid crowds and be aware of your surroundings at all times.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.
