

Vacancy Announcement

United States Peace Corps in Belize

Position Title: Programming and Training Specialist, Health Education Project

Position Summary: The Programming and Training Specialist (PTS) serves as a qualified professional responsible for providing programming and training support to the Rural Family Health Project (RFHP). The PTS has four main areas of responsibility: work with the RFHP Program Manager to design, execute, evaluate, and document the RFHP's programming and training strategy; provide RFHP programming support to 30-50 Volunteers; serve as the lead technical trainer for the RFHP project; and, assist with the planning, logistics, and implementation of post's 27 month Volunteer training continuum.

Required Education/Experience:

- Bachelor's degree in Health Education, Health Sciences, Biology Education, Public Health, or other health education related field with at least two years of relevant teaching or training experience; or an Associate's Degree in a health related field with at least five years of relevant teaching or training experience.
- Experience working in multicultural environment and organizing and facilitating health workshops for adult learners.

Required Knowledge, Skills, and Attitudes:

- Specialized knowledge in the following: 1) Maternal and Child Health, 2) Non-Communicable Diseases, 3) Family Health, 4) HIV/AIDS education, and 5) Education.
- Must possess effective communication and facilitation skills.
- Must have strong interpersonal skills.
- Must be highly organized, flexible and skilled at executing tasks.
- Must work well independently and follow through on assignments.
- Must possess strong IT skills and demonstrated proficiency in Microsoft Office products including ease in using Outlook, Excel, Word and PowerPoint.
- Must be able to analyze and evaluate qualitative and quantitative information.
- Must have a positive attitude and commit to a high standard of ethical and professional conduct.
- Must be highly reliable, self-motivated, detail-oriented and a quick learner.
- Must have the ability to identify and respect differences and similarities between U.S. and local cultures.
- Must be a licensed driver with the ability to operate a standard shift, 4-wheel drive motor vehicle throughout Belize.
- Flexibility for overnight and, at times, weekend travel when required.
- Must be fluent in written and verbal English.

Desired Qualifications:

- Experience in project design, development, management and monitoring and evaluation.
- Experience training trainers.
- Knowledge of pedagogical principles as they apply to teaching young learners.
- Knowledge of Peace Corps philosophy and training system, policies and regulations.
- Familiarity with Belizean culture, communities, and geography.
- Second language proficiency in any of the following: Spanish, Q'eqchi, Garifuna, Kriol, or Mayan Mopan.

Position Salary and Position Duration: Salary negotiable based on our compensation plan and the candidate's salary history, experience and qualifications. One-year contract renewable upon satisfactory performance.

Application Process/Deadline: Must be a Belizean citizen or possess a Belizean work visa in order to apply.

- Submit resume, a cover letter and contact information for two references to: Vacancy@bz.peacecorps.gov.
- Applications review begins on January 19th. Position is open until filled.
- For a complete statement of work, please send a request to Vacancy@bz.peacecorps.gov.
