

U.S. Supplier Directory

*A message from
Ambassador Carlos Moreno*

The U.S. Embassy in Belize and the U.S. Commercial Service are dedicated to promoting U.S. products, services and investments in Belize. With this in mind, we are proud to present this U.S. Supplier Directory highlighting U.S. companies and organizations interested in advancing commercial partnerships in Belize.

The four featured U.S. companies represent the cosmetics and skin care, food and beverage, general merchandising, real estate and aviation sectors. These companies are excited to pursue expanded market opportunities and are seeking distributors, importers and trade with Belizean entrepreneurs and businesses.

If you are interested in expanding your company's product line, distributing American products, or in collaborating commercially with U.S. companies, please contact the Embassy's Commercial Section or the companies featured here.

I hope that the Directory serves as a springboard to long lasting, fruitful and mutually beneficial commercial ventures between Belizean and U.S. based businesses.

Sincerely

A handwritten signature in black ink that reads "Carlos R. Moreno". The signature is written in a cursive, flowing style.

The Hobby Area Management District (HAMD) is a Houston based organization whose mission is to strengthen the local economy, enhance property values, and to improve the quality of life for both the business and residential communities in the Hobby Area. In this regard, the HAMD proactively promotes the Area's economic development in partnership with other public and private economic development organizations.

The HAMD supports businesses, brokers, investors and relocation companies to promote the Hobby Area as a business and investment opportunity. We represent over 1,300 businesses involved in aviation, logistics, retail, real estate, and brokerage services. We are interested in creating opportunities for our businesses to assist them with expansion of their import/export activities.

The Commercial Section of the U.S. Embassy in Belize works closely with the U.S. Department of Commerce to support U.S. companies and promote U.S. trade. Our Section supports and facilitates U.S. exporters and suppliers of American products, machinery, equipment, materials, and U.S. companies seeking to do business and invest in Belize.

If you are interested in purchasing U.S. products and services, our network of U.S. Commercial Service trade professionals across the United States will work to find a U.S. company to supply your needs. We also facilitate exchanges between U.S. suppliers and local partners and trade show attendance featuring U.S. companies.

U.S. COMMERCIAL SERVICE

The U.S. Commercial Service (CS) is the export promotion arm of the U.S. Department of Commerce's International Trade Administration.

Our global network of more than 1,400 trade professionals is located throughout the United States and in U.S. Embassies and Consulates in more than 75 countries.

Our trade specialists address issues and trade opportunities to ensure that U.S. exporters have the information needed to grow their business.

We provide an array of services and expertise to U.S. companies regardless of whether they are looking to make their first international sale or expand to additional markets in order to connect with lucrative opportunities to increase their bottom line.
