## **I. Introduction**

The recipient and any sub-recipient must, in addition to the assurances and certifications made as part of the award, comply with all applicable terms and conditions during the project period.

## **II. Order of Precedence**

In the event of any inconsistency between provisions of the award, the inconsistency will be resolved by giving precedence in the following order:

- A. Applicable laws and statutes of the United States, including any specific legislative provisions mandated in the statutory authority for the award.
- B. Code of Federal Regulations (CFR)
- C. Standard Terms and Conditions
- D. Award Specifics
- E. Other documents and attachments

## **III. Controlling Language**

In accordance with 2 CFR 200.111, it is the Department of State's policy that English is the official language of all award documents. If an award or any supporting documents are provided in both English and a foreign language, it must be stated in each version that the English language version is the controlling version.

## **IV. Department of State (DOS) Responsibilities**

DOS has overall responsibility for Department-funded awards, including providing oversight for technical, programmatic, financial and administrative performance.

### Agency Award Administrator - Grants Officer (GO)

The GO is responsible for all actions on behalf of the DOS, including entering into, changing, or terminating an award. The GO is authorized by a warrant issued by the Procurement Executive in the Office of the Procurement Executive. In addition, the GO is responsible for administrative coordination and liaison with the recipient.

The GO is the only person authorized to approve changes in any of the requirements in the award. In the event the recipient effects any change at the direction of any person other than the GO, the change(s) will be considered to have been made without authority and no adjustment will be made in the amount of the award to cover any increase in costs incurred as a result thereof.

### Agency Program Contact - Grants Officer Representative (GOR)

In accordance with DOS standard policy, the GO is responsible for all aspects of the award, but may designate technically qualified personnel to join in the administration of grants. The GOR is delegated by the GO and responsible for the programmatic, technical, and/or scientific aspects of the award. Recipients should direct any correspondence related to programmatic and budgetary issues to both the GO and GOR.

## **V. Recipient Responsibilities and Compliance with Federal Requirements**

The recipient is responsible for notifying DOS of any significant problems relating to the administrative, programmatic or financial aspects of the award.

The recipient has full responsibility for the management of the project or activity supported under the award and for adherence to Federal regulations and the award terms and conditions. Although the recipient is encouraged to seek the advice and opinion of the GO and/or the GOR on special problems that may arise, such advice does not diminish the recipient's responsibility for making prudent and sound administrative judgments under the circumstances prevailing at the time the decision was made and should not imply that the responsibility for operating decisions has shifted to DOS.

### Recipient Key Personnel:

Within thirty (30) days after the date of execution of the award, the recipient must furnish names, titles, and brief biographical sketches (if these have not been previously furnished), including information on the education and experience of key personnel in charge of the award project and other key professional and supervisory personnel; i.e., the members of the professional staff in a program supervisory position engaged for or assigned to duties under the award to the Grants Officer. The recipient must also provide similar information for Executive officer personnel that may subsequently be assigned by the recipient to perform duties in connection with the award. Any changes, prolonged absences, or significant adjustments of total time devoted to the award project of any listed personnel should be brought to the attention of the GO and requires prior written approval.

### Sub-Recipient Flow Down Requirement:

In accordance with 2 CFR 330, terms and conditions flow down to all sub-recipients, and must be appropriately addressed in the performing organization's sub-award instrument. All cost reimbursement subawards (subgrants, subcontracts, etc.) are subject to those Federal cost principles applicable to the particular organization concerned.

## Administrative and Allowable Cost Requirements:

All recipients shall comply with the following terms and conditions unless otherwise specified in the award

Certain applicable Federal administrative standards are incorporated by reference. Appropriate officials are made aware that electronic copies containing the complete text of the circulars are available on the Government Printing office [www.ecfr.gov](http://www.ecfr.gov) website and specifically at: [http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl)

In addition, all 2 CFR references are available on the Department of State's website at: <https://statebuy.state.gov>.

The principal investigator(s) or project director(s) shall receive a copy of the terms and conditions, including the award -specific requirements, and any subsequent changes in the terms and conditions.

The appropriate recipient officials shall be made aware of the terms and conditions made available by DOS in electronic form at <https://statebuy.state.gov> and may be duplicated, copied or otherwise reproduced as appropriate.

This provision does not alter the recipient's full responsibility for conduct of the project and compliance with all terms and conditions.

## **VI. Confidentiality of Information**

Confidential information, as used in this Provision, means:

1. Information or data of a personal nature about an individual that, if released, would constitute a clearly unwarranted invasion of personal privacy.

In addition to the types of confidential information described above, information which might require special consideration with regard to the timing of its disclosure may derive from studies or research, during which public disclosure of preliminary invalidated findings could create erroneous conclusions which might threaten public health or safety if acted upon.

The Grants Officer and the Recipient may, by mutual consent, identify elsewhere in this award specific information and/or categories of information which the Government will furnish to the Recipient or that the Recipient is expected to generate which is confidential. Similarly, the Grants Officer and the Recipient may, by mutual consent, identify such confidential information from time to time during the performance of the agreement.

If it is established that information to be utilized under this award is subject to the Privacy Act, the Recipient will follow the rules and procedures of disclosure set forth in the

Privacy Act of 1974, and implementing regulations and policies, with respect to systems of records determined to be subject to the Privacy Act.

Written advance notice of at least 45 calendar days will be provided to the Grants Officer of the Recipient's intent to release findings of studies or research, which have the possibility of adverse effects on the public or the Federal agency, as described above. If the Grants Officer does not pose any objections in writing within the 45-calendar day period, the recipient may proceed with disclosure.

Whenever the Recipient is uncertain with regard to the proper handling of material under the Federal award, or if the material in question is subject to the Privacy Act or is confidential information subject to this Provision, the Recipient shall obtain a written determination from the Grants Officer prior to any release, disclosure, dissemination, or publication.

## **VII. Conflict of Interest and Federal Assistance Awards**

The non-Federal entity must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees engaged in the selection, award and administration of federal awards. No employee, officer, or agent must participate in the selection, award, or administration of a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an entity considered for a federal award. The officers, employees, and agents of the non-Federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from federal awards or parties to federal awards. However, non-Federal entities may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity.

The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity. If the effects of the potential or actual conflict of interest cannot be avoided, neutralized, or mitigated before award, the employee, officer or agent must recuse themselves from participating in the award. Where there is an organizational conflict, the prospective recipient is not eligible for the award.

If a potential or actual conflict of interest is identified after award and the effects cannot be avoided, neutralized or mitigated, the Federal awarding agency will terminate the award unless continued performance is determined to be in the best interest of the Federal government.

## **VIII. Liability**

The recipient shall hold and save the Government, its officers, agents and employees. harmless from all liability of any nature or kind, including costs and expenses, for or on account of any or all suits for damage sustained by any person or persons or property by virtue of performance of this award.

### Notification of Award for Similar Program

The recipient must immediately provide written notification to the Grants Officer's Representative and the Grants Officer in the event that, subsequent to an award, other Federal financial assistance is received relative to that particular project award.

### Protocol and Decorum

During the term of an award, the recipient will be associated with the Government in such a manner that the recipient's actions will reflect upon the Government and the United States. Therefore, the recipient will be held accountable for appropriate protocol and decorum during the award period of performance.

## **IX. Financial Management System (FMS) Requirements**

Recipients must adhere to the Code of Federal Regulations (2 CFR 200.300 – 303) standards for financial management systems and methods for making payments, and rules for satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of costs, and establishing funds availability.

## **X. Payments**

Payment methods shall minimize the time elapsing between the transfer of funds from the U.S. Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State Cash Management Improvement Act (CMIA) agreements or default procedures codified at 31 CFR Part 205.

### Advances.

Recipients may to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

1. Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and
2. Financial management systems that meet the standards for fund control and accountability as established in 2 CFR Parts 200 and 600

### Requirements and Procedures.

Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Department of State to the recipient.

In order of preference, advance payment mechanisms include:

1. Electronic funds transfer (EFT) via the Department of Health & Human Services (HHS) Payment Management System (PMS);
2. Department of State-issued electronic funds transfers (EFT); and
3. Treasury check.

Payment by a means other than through PMS must be authorized by the Department.

### Forms.

Unless otherwise specified in these Terms and Conditions, only the following forms shall be authorized for the recipients in requesting advances and reimbursements.

The Department shall not require more than an original and two copies.

1. SF-270, Request for Advance or Reimbursement. Requests for Treasury check advance payment shall be submitted on SF-270, —Request for Advance or Reimbursement, or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special Department of State instructions for electronic funds transfer.
2. Payments under the award will be made through the U.S. Department of Health and Human Services Payment Management System (PMS-SMARTLINK). PMS-SMARTLINK can also be accessed at the following address:  
<http://www.dpm.psc.gov>

If Recipients need further assistance, they are to contact the GO identified on form DS-1909. Recipients should request funds based on immediate disbursement requirements and disburse funds as soon as possible to minimize the Federal cash on hand in accordance with the policies established by the U.S. Treasury Department and mandated by OMB.

## **XI. Period of Availability of Funds**

The project period under the award is indicated on the award cover sheet (Form DS-1909). The recipient may charge to the award only allowable costs resulting from obligations incurred during the project period. However, the funds shall be available for

closeout activities and the recipient shall liquidate all obligations incurred under the award not later than 90 days after the project period.

## **XII. Indirect Costs**

Indirect costs will not be allowable charges against this Grant unless specifically included as a line item in the approved budget for this award.

Indirect cost recovery for any actual indirect costs incurred by the Recipient which are greater than the indirect cost line item in the approved award budget is limited up to the award amount.

A non-profit organization which has not previously established an indirect cost rate with a Federal agency, that believes the DOS should be its cognizant agency, shall submit its initial indirect cost proposal immediately after the organization is advised that an award will be made and, in no event, later than three months after the effective date of the award. For all NICRA and indirect rate inquiries please contact [AQM-NICRA@state.gov](mailto:AQM-NICRA@state.gov).

If a dispute arises in a negotiation of an indirect cost rate between DOS and the non-profit organization, the dispute shall be resolved in accordance with the appeals procedures of the Department of State issuing Bureau point of contact for NICRAs.

## **XIII. Publication for Professional Audiences**

Any publications or articles resulting from the award must acknowledge the support of the Department of State and will include a disclaimer of official endorsement as follows: “This [article] was funded [in part] by a grant from the United States Department of State. The opinions, findings and conclusions stated herein are those of the author[s] and do not necessarily reflect those of the United States Department of State”. The recipient must ensure that this disclaimer be included on all brochures, flyers, posters, billboards, or other graphic artwork that are produced under the terms of the award.

### Seal/Logo.

The Department of State’s seal may not be used by recipients without the express written permission of the United States Department of State.

## **XIV. Branding and Marking Strategy**

As a condition of receipt of this assistance award, all materials produced pursuant to the award, including training materials, materials for recipients or materials to communicate or promote with foreign audiences a program, event, project, or some other activity under this agreement, including but not limited to invitations to events, press materials, event backdrops, podium signs, etc. must be marked appropriately with the standard U.S. flag in a size and prominence equal to (or greater than) any other logo or identity.

Sub recipients and subsequent tier sub-award agreements are subject to the marking requirements and the recipient shall include a provision in the sub recipient agreement indicating that the standard, rectangular U.S. flag is a requirement.

In the event the recipient does not comply with the marking requirements as established in the approved assistance agreement, the Grants Officer Representative and the Grants Officer must initiate corrective action with the Recipient.

## **XV. Travel**

All Federal Government-financed international air transportation must be accomplished by U.S. Flag air carriers or U.S. code sharing to the extent that service by those carriers is available. These circumstances are outlined below:

1. The United States – European Open Skies Air Transport Agreement (U.S.-E.U. Open Skies Agreement) is a bilateral/multilateral agreement that allows federal funded transportation services to use foreign air carriers under specific circumstances. Due to recent modifications to the U.S. – E.U. Open Skies Agreement, the Department's travel policy has been amended.
2. The modified agreement allows travelers to:
  - a. Use EU carriers if the travelers are not eligible to use City Pair Fares. Examples would be recipients and sub recipients of Federal Awards traveling between points not reflected in the approved Federal Award budget.
  - b. Use EU carriers between points in the United States and points OUTSIDE of the EU when there is no City Pair Fare on the route or the traveler is not eligible to use the fare. In essence, this allows travelers to compare costs and select between an EU and U.S. flag carrier when the flight originates, arrives in, or stops in any of the EU countries.
  - c. For additional information regarding these issues, we invite the non-federal entity to review the frequently asked questions posted on our A/LM website at [http://almopsttm.a.state.gov/EU\\_OPEN\\_SKIES\\_AMENDMENT\\_FAQ.asp](http://almopsttm.a.state.gov/EU_OPEN_SKIES_AMENDMENT_FAQ.asp) or contact "[TransportationQuery@state.gov](mailto:TransportationQuery@state.gov)."

For information on other "open skies" agreements in which the United States has entered, please refer to GSA's website at <http://www.gsa.gov/portal/content/103191>.

[www.gpoaccess.gov/cfr/index.html](http://www.gpoaccess.gov/cfr/index.html)

## **XVI. Prohibition Against Assignment**

Notwithstanding any other provision of an award, the recipient must not transfer, pledge, mortgage, or otherwise assign the award, or any interest therein, or any claim arising thereunder, to any party or parties, bank trust companies, or other financing or financial institutions.

## **XVII. Post-Award Requirements for Closeout**

Closeout procedures require:

1. submission by the grant recipient of final financial and program reports within ninety (90) calendar days after the project period end date;
2. reconciliation of all cost or expenditure discrepancies;
3. prompt payment of allowable costs;
4. immediate collection of any unexpended funds or disallowed costs;
5. de-obligation of excess funds; and
6. disposition of property and/or equipment acquired under the award.

The recipient must make every effort to obtain its Final Indirect Rate from its cognizant agency. The settlement for any upward or downward adjustment to the Federal share of costs for provisional NICRA rates will be based on the recipient's submission of its Final SF-425 and, for rate increases, the availability of funds remaining in the award obligation. Unrecovered indirect costs may be considered cost share or matching with prior approval of the Grants Officer.

If the recipient organization does not have its Final Rate within 12 months after the end of the project period end date, the Grants Officer shall proceed with close-out after which all funds remaining in the obligation shall be deobligated.

## **XVIII. Monitoring and Reporting Requirements**

### Monitoring

Annual Reconciliation of Continuing Assistance Awards. DOS must reconcile multi-year awards at least annually and evaluate program performance and financial reports. Items to be reviewed include a comparison of the recipient's work performance to its progress reports and project expenditures.

### Reporting Requirements

Performance Progress Report (PPR). Completion of the PPR "coversheet" is mandatory for awards of \$100,000 or more. The Department recommends that the PPR cover sheet is used for all federal assistance awards under this amount; the requirement to submit the

### Financial Reporting

1. The Department requires recipients to use the SF-425 or SF-425A to report the status of funds for all non-construction projects or programs, unless an equivalent form has been prescribed by the Grants Officer and approved by the OMB and the Office of the Procurement Executive (A/OPE) (e.g., Form DS-2028 for the A/OPR/OS-Office of Overseas Schools).

The recipient must maintain financial records, supporting documents, statistical records, and all other records pertinent to an award for a period of three years from the date of submission of the final expenditure report. For awards that are renewed quarterly or annually, the retention period is from the date of the submission of the quarterly or annual financial report as authorized by the Department. The Department must request transfer of certain records to its custody from Recipients when it determines that the records possess long-term retention value. However, in order to avoid duplicate recordkeeping, DOS may make arrangements for Recipients to retain any records that are continuously needed for joint use.

Timely and Unrestricted Access. DOS authorized officials, the Inspector General, Comptroller General, or any of their duly authorized representatives have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the award, in order to make audits, examinations, excerpts, transcripts, and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but must last as long as records are retained.

## **XX. Audits**

For all DOS awards to a U.S. based non-federal entity, regardless of business type, the recipients are subject to the audit requirements found in 2 CFR Part 200 Subpart F. In addition, the recipients are subject to the audit requirements found in the Single Audit Act of 1984, 31 U.S.C. 7501-7507.

### **Audits of Foreign Recipient Organizations**

All Foreign organizations that expend \$750,000 or more in a fiscal year in Department of State federal assistance must perform an independent, recipient-contracted Single Audit or Program Specific Audit.

Program-specific Audit – means an audit of one Federal award program. Single Audit – means an audit which includes both the entity’s financial statements and the Federal Awards to be conducted in accordance with Generally Accepted Government Auditing Standards (GAGAS).

The audits must be independently and professionally executed in accordance with GAGAS either prescribed by a government’s Supreme Audit Institution with auditing standards approved by the Comptroller General of the United States, or in accordance with the host country’s laws or adopted by the host country’s public accountants or associations of public accountants, together with generally accepted international auditing standards. However, foreign entity audits consistent with International Standards for Auditing or other auditing standards are acceptable with the Grants Officer’s approval.

For sub-recipients expending \$750,000 or more in Department of State award funding during their fiscal year, Department of State standard audit provisions require that Prime recipients certify that audits of sub-recipients are performed annually and according to the standards described above.

The cost of audits may be charged either as an allowable direct cost to the award, or included in the organizations established indirect costs in the award’s detailed budget.

## **XXI. Debarment and Suspension**

Debarment and suspension are discretionary actions that, taken in accordance with this subpart, are appropriate means to effectuate this policy.

1. The serious nature of debarment and suspension requires that these sanctions be imposed only in the public interest for the Government’s protection and not for purposes of punishment. Agencies shall impose debarment or suspension to protect

the Government's interest and only for the causes and in accordance with the procedures set forth in 2 CFR Part 180 subparts A Through I and 2 CFR Part 601

2. When more than one agency has an interest in the debarment or suspension of a recipient, the Interagency Committee on Debarment and Suspension, established under Executive Order 12549, and authorized by Section 873 of the National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417), shall resolve the lead agency issue and coordinate such resolution among all interested agencies prior to the initiation of any suspension, debarment, or related administrative action by any agency.

## **XXII. Termination**

Awards may be terminated in whole or in part if any of the circumstances stated below:

### National Security or Foreign Policy Interests

By DOS, if at any time DOS determines that continuation of all or part of the funding for a program should be suspended or terminated because such assistance is not consistent with the national security or foreign policy interests of the United States, or would be in violation of an applicable law. In such cases, DOS may, following notice to the recipient, suspend or terminate the award in whole or in part and prohibit the recipient from incurring additional obligations

chargeable to the award other than those costs specified in the notice of suspension. If a suspension is affected and the situation causing the suspension continues for 60 days or more, then DOS may terminate the award in whole or in part on written notice to the recipient and cancel any portion of the award which has not been disbursed or irrevocably committed to third parties.

#### By Mutual Agreement

When DOS wishes to terminate a project, the GO will issue, in writing, a termination notice to the recipient's authorized representative with a copy to the project manager and the GOR. The recipients may terminate their performance of a project in whole or in part. When both parties agree that continuation of the project would not produce results commensurate with further expenditure of funds or for any other reason, the award may be terminated by mutual consent. The recipients may terminate the project after the authorized representative advises the GO in writing; and concurrently sends a copy to the GOR. Within 30 days after receipt of a request by either party for termination by mutual agreement, the other party will provide an appropriate written response. The two parties must agree upon the termination conditions, including the effective date, and, in the case of partial termination, the portion to be terminated. The recipient must not incur new obligations for the terminated portion after the effective date and must cancel as many outstanding obligations as possible. DOS will allow full credit to the recipients for the Federal Share of the obligations that cannot be cancelled properly incurred by the recipients prior to termination.

#### For Cause

DOS reserves the right to terminate the award in whole or in part at any time before the project period end date, whenever it is determined that the recipients have failed to comply with the conditions of the award. However, if DOS determines in the case of partial termination that the reduced or modified portion of the award will not accomplish the purposes for which the award was made, it may terminate the award in its entirety.

DOS must promptly notify the recipients in writing of the determination and reasons for the termination, together with the effective date. Payments made to recipients or recoveries by DOS awards terminated for cause must be in accordance with the legal rights and liabilities of the parties.
