Austin Peay State University: Austin Peay State University is located in Clarksville, Tennessee, in the southeastern United States. A city surrounded by natural beauty, Clarksville offers the amenities of city living and many opportunities for outdoor recreation. Situated 45 minutes northwest of Nashville, the University is convenient to Nashville International Airport, the excitement of Music City USA and professional hockey and football teams. Austin Peay strives to create a learning environment and interactive student groups to incorporate our students from all parts of the world. Several groups are designed specifically to integrate students from other countries into the campus community. International students will be paired with an APSU student who will help him or her navigate campus life and American culture. In addition, special advising sessions and organizations are offered to help ease the transition to American living and learning. Austin Peay has a tradition of excellence in the classroom with four Barry M. Goldwater Scholars in the last three years. Austin Peay State University has a large selection of majors to include Science, Technology, Engineering, Mathematics, Business Administration and Health Professions.

The College of Saint Rose: The College of Saint Rose community engages highly motivated undergraduate and graduate students in rigorous educational experiences. In the progressive tradition of the founding Sisters of St. Joseph of Carondelet, we welcome men and women from all religious and cultural backgrounds. In addition to developing their intellectual capacities, students have the opportunity to cultivate their creative and spiritual gifts in a diverse learning community that fosters integrity, interdependence, and mutual respect. The College delivers distinctive and comprehensive liberal arts and professional programs that inspire our graduates to be productive adults, critical thinkers, and motivated, caring citizens. Our engagement with the urban environment expands the setting for educational opportunities and encourages the Saint Rose community's energetic involvement and effective leadership in society.

Husson University: Founded in 1898 and located on 208 acres in beautiful Maine, USA, Husson University offers a quality education that integrates learning with

practice, and makes internships key to student success. Our mission is to prepare students for professional careers in the global market. 3,500 students and small class sizes make individual support and attention our hallmark. Husson is accredited by the New England Association of Schools and Colleges offering degrees in Bachelors, Masters, PhD, and Professional majors: all areas of Business, Sciences, Education, Legal Studies, Professional Health in Premed, Pharmacy and Nursing, Computer Sciences, Communications including Video Production, Audio Engineering and Live Sound Technology. We provide a vibrant campus life with more than 40 clubs and organizations, 17 NCAA Division III athletic teams, a well-equipped fitness complex and pool, state of the art theater, and modern, clean living facilities. Five minutes from campus, the small, safe city of Bangor has great restaurants shops, and theaters. Bangor International Airport is four kilometers away. Tuition, meals, lodging, fees and insurance for a standard undergraduate program is just under \$27,000 a year. International merit and need-based scholarships are \$1,000-\$10,000. Our graduates live and work around the world, finding successful careers in business, health, education, and law.
