

*Consulate General of the  
United States of America*

*Montreal, Canada*

**List of Attorneys**

Updated: August 2015

The Montreal Consular District consists principally of the Montreal and Eastern Townships areas in the Province of Quebec.

The names on this list are not arranged alphabetically, and the order in which they appear has no significance. While the names are selected with care, the Consulate General cannot guarantee or assume responsibility for the professional ability or integrity of any individual or firm. All firms listed are competent in both English and French. Other languages are specified as appropriate.

As part of its French heritage, the Province of Quebec has notaries (*notaires*, in French) who are distinct from lawyers and cannot appear in court, but who can handle certain legal matters such as deeds of sale, wills, mortgages, non-contentious estates, etc. A listing of notaries appears after the list of lawyers, followed by listings of collection agencies and genealogical investigators.
