Hospitals, Physicians, Dentists and Other Medical Service Providers

(updated December 2011)

Please Be Advised that the U.S. Embassy in San Jose, Costa Rica assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the following persons or medical service providers. Inclusion on the list is in no way an endorsement by the Department of State or the U.S. Embassy. Names are listed alphabetically by specialty, and the order in which names appear has no other significance. This list includes only a small selection of the many practitioners available in Costa Rica. Many of the practitioners included in this list speak English and/or have had training in the United States.

Hospitals

Private Hospitals

CIMA San Jose: Tel: 2208-1000. Location: 500 m. West of the tollbooths on the highway to Santa Ana (Prospero Fernández Free way). This is a private hospital has 86 private rooms and 14 private suites. The hospital is equipped to handle medical, surgical and maternity cases. It has a 24-hour emergency room as well as laboratory, X-ray services, and pharmacy. They accept several U. S. health insurance plans.

Clinica Biblica: Tel: 2257-5252. Location: Calle 1, Ave. 14. This is a private, non-profit hospital, which is equipped to handle medical, surgical, pediatric and maternity cases. There are 65 beds all in private rooms (8 intensive care, 24 hr. specialist present). The clinic has a 24-hour emergency room with emergency specialist and surgeon present, as well as laboratory, pharmacy and X-ray services. They also have CAT scan and MRI, hemodialysis with bicarbonate filter, and blood bank in the installations. They accept several U. S. health insurance plans.

Public Hospitals

San Juan De Dios Hospital: Calle 14, Av. Central – Telephone: 2257-6282
This is a 680 bed hospital, which is managed by the Caja Costarricense del Seguro Social. The surgical theaters, cardiac care unit and the intensive care unit are well equipped. The different sections within the hospital are known as Pensiones and the Pensiones Echandi. This is also the only hospital in Costa Rica with an adult burn unit.

Mexico Hospital: (this hospital should only be utilized in the cases of a life threatening emergency) Barrio La Uruca in front of the Autopista to the Airport. Telephone: 2232-6122. Managed by the Costa Rican Social Security System, the hospital has 633 beds. It has many well trained physicians, however, it is crowded and there are equipment shortages.
**Hospital Nacional De Ninos:** Calle 14, Av. Central. Telephone: 2222-0122
This is a 250 bed hospital for children operating under the Costa Rican Social Security System. It has private rooms with baths, telephones and space for an extra bed in each room. The equipment operating rooms, and its pediatric specialists are the best in Central America. Only children under the age of 12 should be brought to this facility for life-threatening types of emergencies.

**Hospital Calderon Guardia:** C 15 y 17, Av. 9-11 Telephone: 2257-7922
Intensive Care Unit: 2223-8963. This is a 622 bed hospital, which is managed by the Costa Rican Social Security System. The surgical theaters, cardiac care unit and the intensive care unit are well equipped. This hospital should only be utilized in the case of a life-threatening emergency.
