Demonstration Notice
June 18 to 25

The U.S. Embassy recommends the security procedures outlined below for the week of June 18 to 25. This notice takes effect on Saturday, June 18 at 4:30am. If the situation warrants changes, the Embassy will provide updated information as it becomes available. The following procedures are mandatory for U.S. Embassy employees, and U.S. citizens in Bahrain are highly encouraged to follow them as well. While the security situation has improved in certain areas, spontaneous demonstrations and clashes with security forces are still possible.

On Friday, June 17th:

Mass demonstrations may occur at Ma’atam Darulhussain in Kharjiya village in Sitra, at 1700 hrs. U.S. citizens are urged to avoid transiting Sitra on Friday.

A demonstration may occur at 1530 hours in the vicinity of Mahooz.

The Embassy no longer recommends against travel at night. However, Bahraini security operations are ongoing and there continue to be isolated reports of violence occurring primarily at night. Embassy personnel continue to be advised to limit their movements during hours of darkness.

We encourage everyone to follow the guidelines listed below, especially the maps below. We strongly encourage the use of the buddy system and not to travel alone.

Most checkpoints are manned by police and/or soldiers with lethal ammunition. The following guidance is provided for checkpoints:

1. Do not panic, be polite.
2. Always obey the lawful commands of officials manning checkpoints.
3. Do not attempt to run through the checkpoint.
4. Make sure your doors are locked and windows closed.
5. If necessary, roll your window down just far enough to talk.
6. State that you are an American.
7. If they insist on ID, present your CPR card. At no time should you relinquish control of the ID to those not in an official uniform.
8. If asked, "where are you going?" state where.
9. For unofficial checkpoints - Never get out of your vehicle or open any of the doors!

Due to the improved conditions, the following locations do not need to be avoided:

- Bahrain Mall (Sanabis and Dana Mall and its vicinity remain off limits)
- Seef Mall and City Center Mall
  However we strongly urge U.S. citizens to use the northern entrance / exit to City Center Mall located on Road 2819 and they are encouraged to avoid proceeding east of this entrance / exit as that is the location of a major BDF encampment in Manama. Further, all U.S. citizens are strongly urged to use the eastbound Seef exit on Shaikh Khalifa highway to access both Seef and City Center.
- Shaikh Khalifa Bin Salman Highway / King Faisal Highway (Malls are on this road)
- Shaikh Isa Bin Salman Highway (Runs in front of Embassy)
- Wali Al Ahd Highway (BDF Hospital road)
- Shaikh Salman Highway (North / South road clock tower is on)

June 18 to 25

Know the locations of safehavens (police and fire stations, hospitals, embassies, etc.) near your work and home, and along the route in between. If you are being followed or harassed while driving, go to the nearest safehaven and call the Police at 999. Do not confront a potential attacker or lead them back to your home.

We remind U.S. citizens that even demonstrations intended to be peaceful can turn confrontational and possibly escalate into violence. U.S. citizens are therefore urged to avoid the areas of demonstrations if possible, and to exercise caution if within the vicinity of any demonstrations. U.S. citizens should stay current with media coverage of local events and be aware of their surroundings at all times.
