Men's Waterproof Hooded Squall Jacket – waterproof, insulated

WATERPROOF SQUALL — JUST THE FIX FOR A WINTERY MIX.

When winter comes, it's us versus the elements. The goal is to keep the cruddy stuff out (cold, wind, rain, snow) and warmth in. Our legendary Squall® Jacket is up to the challenge. As part of the famous Squall clan, it's equipped with all the features needed to take on the harshest forecasts — a waterproof, windproof shell, cozy fleece lining, extra insulation, even a storm flap for added protection in front. There are plenty of comforts too, such as soft fleece inside the collar and pockets, adjustable cuffs with interior rib-knit cuffs and a chin guard to prevent nips. This jacket does its family name proud. Machine washes Imported.

FEATURES

- Rugged nylon shell is waterproof, windproof, breathable
- Sealed seams stop rain, snow, sleet from getting in
- Therma Check®-300 fleeces lining in the body is antistatic to resist shocks, lint
- 100-gram insulation in the sleeves provides bulk-free warmth
- Adjustable/removable hood for full coverage
- Hidden zipper with rip-grip storm flap
- Draw cord hem helps block cold
- Performance label inside highlights key Squall features
- TEMPERATURE RATING – WARMER: -5° to +15° Fahrenheit. Use this as a comfort range for the type of climate you'll be wearing this Squall Jacket in with a typical winter wardrobe.
