Nonimmigrant Visa Application

Save Confirmation

You have temporarily saved your application. Please save your application permanently to a file if you plan on being away from the online application for more than 20 minutes.

If you would like to save your application data permanently to a file, click the 'Save Application to File' button below. Then click the 'Save' button on the File Download window. Identify a place on your computer to save the application file, browse to that location, and click the 'Save' button on the Save As window. The system will download your application to the specified location. Once the download is complete, click 'Close' to return to this page. When you wish to retrieve and use your saved application, follow the instructions provided on the Getting Started page to upload your saved application file.

Choose one of the following options:

Save Application to File

Continue Application

신청서 파일로 저장
