Americans March
Elizabeth Alexander, June 4, 2013
For hundreds of years Americans have taken to the streets to say, “This is what we believe, and we will be heard.” The street as a place for collective voice outside the three branches of government is an integral aspect of what it means to exercise freedom of speech and what it means to stand together in unity.

Martin Luther King Jr: the March, the Man, the Dream
August 1, 2003
Martin Luther King Jr.’s "I Have a Dream" speech is the most famous portion of the August 28, 1963, March on Washington for Jobs and Freedom. But King's speech was less heralded during the balance of his own lifetime than it has become since his assassination on April 4, 1968

Electronic Book - Free At Last
Michael Jay Friedman, Bureau of International Information Programs, 2008
This e-book recounts how African-American slaves and their descendants struggled to win — both in law and in practice — the civil rights enjoyed by other Americans. It is a story of dignified persistence and struggle, a story that produced great heroes and heroines, and one that ultimately succeeded. Americans at that time had to confront squarely the gap between their universal principles of equality and justice and the inequality, injustice, and oppression faced by millions of their fellow citizens.
