Manila, Philippines

IMPORTANT:

You are now eligible to schedule a visa interview appointment and this helpful checklist tells you what to prepare and do before your interview.

STEP 1. Complete the DS-260 form online at <https://ceac.state.gov/ceac> by following the instructions below. **If you already provided a DS-260 to the National Visa Center (NVC), go to step 2.**

- ✓ To complete the DS-260, you need the Invoice ID Number and each traveling applicant's Beneficiary ID Number from the "Notice to Applicant" page of your NVC appointment letter.
- ✓ If you do not have an NVC appointment letter, you can find your Invoice ID and Beneficiary ID Numbers on the Immigrant Visa Application Processing Fee Bill Invoice you or your petitioner received prior to paying your IV fees through NVC. If your petitioner no longer has the Fee Bill Invoice, obtain the invoice ID number from NVC.
- ✓ Frequently Asked Questions (FAQs) - Answers to commonly asked questions can be found at DS-260 FAQs and Online Immigrant Visa Forms.

Please see instructions for completing Forms DS-260, Online Immigrant Visa Application, and DS-261, Choice of Address and Agent at http://travel.state.gov/visa/immigrants/info/info_5164.html.

Note: If your petition did not go through the National Visa Center (NVC) process (for example, you filed your petition overseas), your invoice ID number is the principal applicant's date of birth (YYYYMMDD).

STEP 2. Print the DS-260 confirmation page (the page with the barcode on it).

STEP 3. Next, go to <http://www.ustraveldocs.com/ph> or call Manila's Visa Information and Appointment Service Center and follow the instructions to create a profile and schedule an appointment.

Manila's Visa Information and Appointment Service Center hotlines are (632) 976-8500, (632) 976-8501 or (632) 976-8502, available Monday through Friday from 8:00am to 8:00pm Philippine Standard Time. Applicants, agents, or petitioners calling from the United States can also use this service by calling (703) 520-2235, from 8:00 p.m. to 8:00 a.m. (Eastern Standard Time).

If you already have an appointment from NVC, you **MUST** still create a profile and designate a delivery address. Failure to designate a delivery address prior to your appointment date will result in delayed delivery of your passport and visa.

To register online, click on the "Select Document Delivery Address" link under the Immigrant Visas section of the website. Once there, click on the appropriate link to register a delivery address for the first time, or to change an existing delivery address.

If you have any questions about how to register a delivery address or any of the above procedures, please contact Manila's Visa Information and Appointment Service Center indicated above.

Note: Please follow the instructions in scheduling your interview appointment to avoid unnecessary delays to your immigrant visa processing.

Each applicant, regardless of age, requires a separate visa.

If you know beforehand that you are unable to keep your visa appointment, or if you miss your visa appointment, you may reschedule by following these same scheduling instructions.

STEP 4: Immigrant visa applicants must bring ALL ORIGINAL civil documents at the time of the visa interview. Your application will be refused if you fail to bring any of the following required documents.

VISA VALIDITY: Generally, an immigrant visa is valid for six months from the date of issuance, unless its validity is limited by medical or other restrictions.

VISA APPLICATION VALIDITY: Section 203(g) of the Immigration and Nationality Act (INA), as amended, requires intending immigrants to pursue their visa applications within one (1) year from the date they are notified to start the application process. **The appointment letter serves as the official notice.
