PASSPORTS: Bring your current passport and all former or expired passports. Your current passport must be valid for at least eight months from the date of your interview and should reflect your correct name and date of birth.

PHOTOGRAPHS: Bring two color copies of your photograph in front of a white background that are 2 x 2 inches (51 x 51 mm) in size.

DS-260 CONFIRMATION PAGE

MEDICAL REPORT: Bring your medical report. You will need to undergo a medical exam from one of the Consulate's panel physicians before your interview. Information on scheduling your medical exam is available at <http://travel.state.gov/content/visas/en/immigrate/immigrant-process/interview/prepare/medical-examination.html>.

INDIAN POLICE CLEARANCE CERTIFICATE: If you are an Indian citizen age 16 or older and residing in India, you need to obtain a police clearance certificate from a Regional Passport Office. This certificate is valid for one year from the date of issuance. If you already submitted a police clearance certificate to NVC, please check if it has expired. If so, bring a new certificate to the visa interview.

If you are a foreigner residing in India and are registered with the Foreigner Regional Registration Office (FRRO), obtain a police clearance certificate from them. If you are a foreigner residing in India but are not registered with the FRRO, obtain a police clearance certificate from your District Police Station.

FOREIGN POLICE CLEARANCE CERTIFICATE: If you have resided in any other country for one year or more after the age of 16, you may also be required to submit a police certificate for this country. Check the visa reciprocity table on the website <http://travel.state.gov/content/visas/english/fees/reciprocity-by-country.html> for each country you have lived in to determine if a police clearance certificate is required and how to obtain it.

U.S. police certificates are not required for applicants who have lived in the United States.

FEES: If your appointment was scheduled through NVC, you have generally already paid your visa fee.

If your appointment was not scheduled through NVC, bring a rupee bank draft drawn on a nationalized or foreign bank to your interview. The bank draft must be issued in the name of “U.S. Consulate General, Mumbai” and be payable in Mumbai.

As the consular rate of exchange can change, check it at <http://www.ustraveldocs.com> the day before your interview to obtain the current consular rate of exchange. Visa fees are not refundable

If you do not have a birth certificate or your birth certificate is missing your name, your date of birth, or the names of your parents, submit the following secondary evidence:

- A notarized affidavit executed by a parent, if living, or another close relative older than you. This affidavit should clearly state the relationship between the relative and you, how well the relative knows you, the date and place of your birth, the names of both your parents, and any other related facts; **OR**
